 Snack items - Please try to buy snacks that aren't extremely messy! Snacks that are individually wrapped last longer. Keep in mind that we share snacks unless parents specify that the snack is only for their child.
 Some examples of popular items are: Goldfish, animal crackers, potato chips, pretzels, fruit snacks, and cereal.

If you are able, our clinic is always in need of tissues. You can drop them off in the office and we will get them to Mrs. Mandel
