# PERRY MERIDIAN FAMILY GAME NIGHTS

## Join the Fun - Play Games Together.

Perry students and their families are invited to join us for Family Game Night. Together, learn the game of the month with Doc Rissel and Mrs. Andrea Callahan, gamer and trainer, or play any tabletop card or board game of your choice.

Play along with the larger group with the game of the month, bring your own game, or choose one of the games we have for loan in the library. Please note: an adult must accompany students.

This is a tabletop card and board game event.

Please, no computer or video games during Family Game Night.
