The outstanding staff members of Perry Township Schools, who impact the lives of the children on a daily basis, are the key ingredient to the success of the school district. I am blessed to serve the Perry Township community as the Superintendent of Schools. I am also one of the fortunate people that found a calling that I truly embrace. The ability to help children and their families realize their educational dreams is a very rewarding experience. I look forward to the 2014-2015 school year with excitement and high expectations.
