

Health and Development – 4th Grade

Lesson Plan

Materials:

Smart Notebook

Charade topics – printed and cut apart

Scrap Paper for student questions

* Classroom Assignment – 2 pieces of notebook paper, or fill in the blank letter for differentiation

1. Use Smart Notebook as the guide through the lesson.
 - Video
 - Vocabulary
 - Game
 - Q & A
 - Classroom Assignment – This is an assignment that is intended for students to complete once they have returned to their classroom. There is a form that is a fill in the blank format for students that need a modification.
2. As you go through the slides use the definitions to explain the pictures.
3. The slide after the Classroom Assignment is a page with lined paper for the teacher to start modeling the letter to a trusted adult. The model will turn into a “we do”. Feel free to use the modified form letter as your guide for this step.
