

School Parent Compact

It is important that families and schools work together to help students achieve high academic standards. Through a process that includes teachers, families, students and community members, the following are agreed upon rules and responsibilities that we as stakeholders will carry out to support the success of all students in school and in life.

Teachers and Staff:

I agree to carry out the following responsibilities to the best of my ability:

- Teach classes through interesting and challenging lessons that promote student achievement.
- Endeavor to motivate my students to learn.
- Have high expectations and help every child to develop a love of learning.
- Communicate regularly with families about student progress through midterms, report cards, newsletters, internet or notes home, and conferences via phone or in person.
- Provide a warm, safe, and caring learning environment.
- Participate in professional development opportunities that improve teaching and learning, and support the formation of partnership with families and the community.
- Actively participate in collaborative decisions and consistently work with families and colleagues to make our school an accessible and welcoming place for families.
- Respect the school, and all students, teachers, staff and families.
- Discuss the compact at annual teacher/parent conferences.
