## PREAMBLE

This agreement is made and entered into this 1st day of July 2019, by and between the Board of Education of Perry Township Schools (Board) and the Perry Education Association (Association).

## ARTICLE I

### RECOGNITION

#### Section 1 – Association Recognition:

The Board recognizes the rights guaranteed to teachers by law and hereby recognizes the Association as the exclusive representative of all certificated school employees under a valid Regular or Temporary Teacher's contract of Perry Township Schools, but excluding all Central Office Administrators, Directors, Principals, Assistant Principals, High School Directors of Guidance, Middle School Directors of Guidance, High School Athletic Directors and Assistant Athletic Directors, and Middle School Athletic Directors.

## ARTICLE II

### ABSENCE AND LEAVE POLICY

#### Section 1 – Leave Days Granted Annually and Family Illness Days:

- A. Each teacher shall be granted five (5) **personal business days** and ten (10) **sick leave days** each school year. The teacher may use his/her personal business days to be absent from school without having to provide a reason for said absence; a special form requesting such leave, Form Number Per. 14, Revised 9/2012, (**Appendix A**) must be completed. The number of personal business and sick leave days of each teacher will appear on the record portion of the direct deposit advice statement.

Any unused personal business and sick leave days shall be rolled over into the teacher's accumulated sick leave at the end of each school year. Additional days may be granted at the discretion of the Board **or as required by state law.**

A teacher who is pregnant may use available sick leave days for any medically-related absences during the pregnancy.

Any new hire shall use one (1) of his/her sick leave days for the purpose of becoming a member of the Sick Bank as set forth in Article II, Section 4, Subsection D, Item 3, of this Agreement.

(Note: Accrued sick and personal days cannot be used during Summer School and/or Intersession.)

- B. A teacher may use, from his/her available accumulated sick leave days, a maximum of ten (10) days per year as **family illness days**. A special form requesting such leave, Form Number Per. 14, Revised 9/2012, (**Appendix A**) must be completed and the teacher shall specify on the form his/her relationship to the family member for whom the family illness day is being requested. Family members for whom these days may be taken include any relative or dependent living within the household of the teacher. Also included are spouse, child, father, mother, daughter-in-law, son-in-law, father-in-law, mother-in-law, brother, sister, brother-in-law (teacher's spouse's sibling and spouse or teacher's sibling's spouse),

sister-in-law (teacher's spouse's sibling and spouse or teacher's sibling's spouse), grandparent, grandchild and domestic partner living within or outside the household of the teacher.

Such leave will be granted without loss of compensation. A teacher may, if needed, make a request to the Superintendent for additional family illness leave days, which shall, if granted, also be deducted from the teacher's available accumulated sick leave days.

- C. Effective with the 2003-2004 school year, a teacher who accepts less than a full-time position and a new hire who is less than a full-time teacher will receive pro-rata personal business leave and sick leave days.

#### Section 2 – Sick Leave Transfer from Other School Corporations:

Teachers who have accumulated sick leave in another Indiana school corporation and who are transferring into Perry Township Schools for the first time will transfer all of that accumulated sick leave to this school corporation. Teachers shall bring in up to fifty (50) days of certified accumulated sick leave their first year and five (5) days per year thereafter.

#### Section 3 – Sick Leave Reinstatement:

A teacher who has previously taught in Perry and is rehired shall have accumulated sick leave previously accumulated with Perry Township Schools fully reinstated, on his/her first day of service, provided that the teacher was not under a teaching contract during the intervening year(s).

#### Section 4 – Sick Bank:

The purpose of the Sick Bank (hereinafter referred to as the Bank) is to provide sick leave to contributors to the Bank after their accumulated leave has been exhausted and, more specifically, to provide such leave from the Bank in cases of prolonged illnesses. The Bank rules and guidelines are as follows:

##### A. Membership:

All teachers shall become members of the Bank. The Bank shall be established for all licensed personnel of Perry Township Schools, and each teacher shall complete Form Number Per. 13 C, Revised 09/2012, (**Appendix B**) and shall contribute the individually required number of days as indicated in Article II, Section 4, Subsection D, Item 3, of this Agreement.

##### B. Members' Agreement:

1. A member may be required to furnish a medical report from a licensed physician at any time before or during the time of the use of the Bank. The medical review will be at the member's expense. The Sick Bank Committee (SBC), defined in Article II, Section 4, Subsection C, of this Agreement, will review each case as required. The SBC reserves the right, if necessary, to limit the number of days granted.
2. A person who has used days from the Bank will be required to repay these days at a rate of five (5) days per year until all days have been paid back. Repayment will begin with the school year immediately following withdrawal of days from the Bank. If a teacher:

- a. leaves the employment of the school district before the total number of days is paid back, then the remaining days owed will be deducted from the teacher's total accumulated sick leave at that time.
  - b. dies before all days are paid back, the teacher will not be required to pay back the balance owed.
  - c. who has used days from the Bank after August 17, 1999, and has not paid these days back to the Bank upon retirement, the teacher will be required to pay back all of these days up to one-half of his/her accumulated sick day balance.
3. In consideration of the benefits of participating in the Bank, each applicant for membership in the Bank and for benefits from the Bank shall, as a condition of such application, agree in writing substantially as follows: "I specifically acknowledge and agree that the granting of days from the Sick Bank shall be at the sole discretion of the Sick Bank Committee or, in the event of an appeal, the Appeal Board, and that all decisions of the Sick Bank Committee or the Appeal Board will be final and binding. I further agree to abide by such decisions and to indemnify and hold harmless the Perry Education Association, Perry Township Schools, the Sick Bank Committee, and the Appeal Board and all of their agents for any loss they may sustain as a result of any claim or legal proceedings I may bring against any of them with respect to a decision made by any of them concerning the application."
  4. When a teacher donates days to the Bank, he/she agrees to the above-stated rules for administration of the Bank and agrees to abide by the stated rules.

C. Sick Bank Committee:

1. A committee shall be formed to administer the Bank and to provide the information whereby the Perry Township Education Center Business Office will keep the records. This committee shall be empowered to adopt rules and regulations and to make decisions required to administer the Bank, so long as those rules, regulations, and decisions do not modify the Agreement named herein. This committee will be titled the "Sick Bank Committee" (heretofore and hereinafter referred to as the SBC). The SBC shall be composed of the following five (5) persons:
  - a. the Superintendent of Perry Township Schools or his/her designee,
  - b. the PEA President or his/her designee,
  - c. one (1) PTEC Central Office administrator or Perry Township Schools building level administrator appointed by the Superintendent, and
  - d. two (2) bargaining unit members appointed by the PEA President, who should make an effort with these appointments to provide bargaining unit representation from the elementary and secondary levels.
2. Should a vacancy occur on the SBC, a replacement for the vacant position shall be appointed by the authority making the original appointment.

3. One (1) of the three (3) bargaining unit SBC representatives will be selected to act as chairperson of the SBC. The PEA President will designate the chairperson prior to the first meeting of the SBC.
4. A PTEC Central Office secretary shall be appointed by the Superintendent to be responsible for correspondence of the SBC.
5. The SBC will be responsible for developing the forms needed to operate the Bank.

D. Guidelines:

The Bank shall be administered by the SBC in accordance with the following provisions:

1. The Bank may be used only by the individual contributor for his/her own personal illness.
2. Days from the Bank may be used only for those work days that the individual contributor is employed under a Regular Teacher's Contract.
3. Each member of the Sick Bank will initially donate only one (1) day of his/her available sick leave to the Bank. Any new hire who has no accumulated sick leave shall participate in the Bank by initially donating only one (1) day of his/her sick leave days to the Bank. Additional days will be requested by the SBC as required by Article II, Section 4, Subsection D, Item 4, of this Agreement.
4. If the number of days in the Bank falls below fifteen (15) days prior to May 31 of the current contract year, each participant will be required to donate one (1) additional day of his/her available sick leave to the Bank. If the number of days in the Bank falls below fifty (50) by the first day of any school year, each participant will be required to donate one (1) day of his/her available sick leave to the Bank.
5. All days once donated to the Bank become the property of the Bank.
6. The maximum dollar expenditure from the Bank during any one (1) calendar year cannot exceed one hundred twenty-five thousand dollars (\$125,000). If this amount is reached at any time during the calendar year, the Bank will cease to operate during the remainder of the year.
7. All requests to receive grants from the Bank must be submitted in writing to the SBC on the prescribed SBC Form(s), Form SBC1, Revised 09/2012 (**Appendix C**) and Form SBC1 Revised 09/2012 (**Appendix C-1**).
8. Any person submitting a request to use the Bank must have made his/her proper contribution and met all eligibility requirements.
9. No teacher shall be permitted to withdraw days from the Bank until all of the teacher's own accumulated sick leave is depleted.
10. Leave from the Bank can only be used for extended illness or disability. [The SBC will generally consider an extended illness one that involves ten (10) or more working days.]

11. Periodic reviews by the SBC of all Bank use will be made. No use may extend more than thirty (30) working days without review by the SBC.
12. Leave from the Bank may not be granted for the period of disability when monies are paid to the teacher under the Workers' Compensation Law, short-term or long-term disability as provided in this Agreement.
13. Days granted will be reimbursed as follows:
  - a. The first five (5) days granted will be reimbursed at a rate equal to the per diem rate of pay of the teacher's basic salary for the individual granted the days.
  - b. Additional days granted will be determined by the SBC at a rate that will best utilize the money in the Bank. No one will receive more than his/her regular per diem rate of pay.
  - c. When days are granted at less than per diem rate, the number of days to be paid back shall be determined by the formula:  
$$\text{Number of days} = \text{amount of money received} / \text{current per diem rate (rounded to the nearest whole day)}$$
14. The SBC will review and recommend to the PTS Business Office approval or denial of all requests to draw on the Bank within ten (10) working days after such request is received by the SBC. The SBC will also make its decision known to the applicant within this ten (10) day period.
15. The Sick Bank cannot be utilized in conjunction with Short Term Disability.

E. Appeal Board:

1. An Appeal Board,\* composed of the following six (6) persons, will be established:
    - a. the Superintendent of Perry Township Schools or his/her designee,
    - b. the PEA President or his/her designee,
    - c. two (2) members appointed by the Superintendent of Perry Township Schools, and
    - d. two (2) members appointed by the PEA President.
- \*(Note: No appointed member of the SBC may at the same time be a member of the Appeal Board.)
2. The PEA President or his/her designee will act as Chairperson of the Appeal Board.
  3. If a request for use of sick leave days is denied by the SBC, then the applicant may appeal the SBC's decision to the Appeal Board within ten (10) working days after the denial. All decisions made by the Appeal Board must be based on a majority vote. All decisions of the Appeal Board are final and binding.

4. The Appeal Board will rule on any appeal within ten (10) working days after receiving the appeal in writing.

F. Annual Report:

An annual report of the Bank will be published on or before February 1 for each budget year the Bank is in operation. Administration will prepare this report and forward it to the PEA President for approval and publication. The report shall include a statement of the number of days contributed to the Bank, the number of days granted from the Bank, the number of days remaining in the Bank, and the total cost of the days granted.

Section 5 - Personal Injury While Employed:

In the event a teacher is required to be absent due to an injury sustained as a result of an assault and/or battery which is determined to be compensable under workers' compensation laws while a teacher is properly discharging his/her duties, the teacher shall receive the difference between his/her daily rate paid through workers' compensation and the teacher's daily rate for a period up to one hundred eighty-three (183)\* contract school days of absence. The absence caused by an assault and/or battery, for a period up to one hundred-eighty-three (183)\* school days described above, shall not be charged against the teacher's sick leave. The Board of Education may require an independent medical or psychological examination at the Board's expense if there is a question as to the condition of the teacher at any time. A teacher must comply with the workers' compensation reporting provisions in order to receive the benefits enumerated under workers' compensation.

\*(Note: This number shall be adjusted accordingly with any change in the length of the school year for any teacher.)

Section 6 - Bereavement Leave:

Bereavement Leave is available only within ten (10) calendar days following the date of death. Bereavement leave will be granted without loss of compensation and will not be charged against leave days. Bereavement leave days do not accumulate from year to year.

When there is a death in the immediate family, up to five (5) days of bereavement leave may be granted. Immediate family in this section is interpreted to mean spouse, domestic partner, child, grandchild, parent, grandparent, sibling, father-in-law, mother-in-law, son-in-law, daughter-in-law, brother-in-law, sister-in-law, and a relative or legal dependent living with the teacher. Bereavement leave for the death of a relative by marriage beyond those listed above, including the teacher's children's grandparents, shall be granted not to exceed two (2) days. Bereavement leave for death of an aunt, uncle, niece, nephew, or cousin related either within the family or by marriage shall be granted one (1) day.

It is understood that in the event of a death over the summer break, this bereavement leave clause will not apply for a teacher who is not teaching under a summer school contract unless the number of allowable days overlaps with the beginning of the next school year. A teacher who is teaching under a summer school contract or claim form will be granted the number of leave days according to the terms of Article II, Section 6, Paragraph 1 and 2, of this Agreement for a death that occurs during the time of the summer school contract.

Under extenuating circumstances, arrangements for additional bereavement leave days, especially in cases in which extensive travel is required, may be approved upon written request to the principal and the

Superintendent or his/her designee. The teacher should make the request for any additional bereavement leave days before the actual leave days are taken. Those additional days may be charged against the teacher's available sick leave days. A reasonable request that involves out-of-state travel would likely be granted without charging days against the teacher's available sick leave days.

#### Section 7 – Maternity Benefit and Maternity Leave:

Maternity benefit and maternity leave will be defined as follows:

- A. Upon the birth of a child, the mother who is a teacher shall be granted ten (10) consecutive contractually paid days of **maternity benefit**. These days will not be charged against the teacher's available sick leave and shall commence on the first contractual day following the birth of the child.
- B. **Maternity leave** utilizes the teacher's available sick leave days. **Maternity leave** may not extend beyond eight (8) weeks following the day after the birth of the child. During maternity leave, a teacher may use up to six (6) weeks of available sick leave days in addition to maternity benefit. If the teacher has fewer than thirty (30) available sick leave days, the teacher may choose to take the remainder of the 8-week period as an unpaid leave.
- C. If the teacher is medically disabled, as verified by a physician's statement, beyond the provisions cited in this Agreement, the teacher may use more of her available sick leave days to cover the time period of the disability.
- D. Uncompensated leave may continue for up to one (1) year following the birth of the child. The teacher granted such a leave shall have the right to maintain, at her sole expense (paying the full premium), all insurance benefits in which she was enrolled at the time of the request.\* A teacher on uncompensated leave is required to return within one (1) year following the birth of the child. The return date may be adjusted beyond the child's first birthday to the first day of the next grading period.

\*(Note: If a teacher qualifies for FMLA, the district will maintain its financial contribution to insurance benefits during the 12-week FMLA period.)

#### Section 8 – Paternity Benefit and Paternity Leave:

Paternity benefit and paternity leave will be defined as follows:

- A. Upon the birth of a child, the father who is a teacher shall be granted ten (10) consecutive contractually paid days of **paternity benefit**. These days will not be charged against the teacher's available sick leave and shall commence on the first contractual day following the birth of the child.
- B. Uncompensated leave may continue for up to one (1) year following the birth of the child. The teacher granted such a leave shall have the right to maintain, at his sole expense (paying the full premium), all insurance benefits in which he was enrolled at the time of the request.\* A teacher on uncompensated leave is required to return within one (1) year following the birth of the child. The return date may be adjusted beyond the child's first birthday to the first day of the next grading period.

\*(Note: If a teacher qualifies for FMLA, the district will maintain its financial contribution to insurance benefits during the 12-week FMLA period.)

## Section 9 – Adoption Benefit and Adoption Leave:

Adoption benefit and adoption leave will be defined as follows:

- A. Upon the placement of a child, the parent(s) who is a teacher shall be granted ten (10) consecutive contractually paid days of **adoption benefit**. These days will not be charged against the teacher's available sick leave and shall commence on the first contractual day following the placement of the child.
- B. **Adoption leave** utilizes the teacher's available sick leave days. **Adoption leave** may not extend beyond eight (8) weeks following the placement of the child. During adoption leave, a teacher may use up to six (6) weeks of available sick leave days in addition to adoption benefit. If the teacher has fewer than thirty (30) available sick leave days, the teacher may choose to take the remainder of the 8-week period as an unpaid leave.

If both parents of the adopted child are Bargaining Unit members, both parents shall use the adoption benefit. However, only one parent may use the adoption leave.

- C. Uncompensated leave may continue for up to one (1) year following the placement of the child. The teacher granted such a leave shall have the right to maintain, at his/her sole expense (paying the full premium), all insurance benefits in which he/she was enrolled at the time of the request.\* A teacher on uncompensated leave is required to return within one (1) year following the placement of the child. The return date may be adjusted beyond one (1) year to the first day of the next grading period.

\*(Note: If a teacher qualifies for FMLA, the district will maintain its financial contribution to insurance benefits during the 12-week FMLA period.)

## Section 10 –Paid Attendance in Conferences of Local, State, and National Organizations:

- A. The Board encourages teachers to participate actively in local, state, and national organizations by providing arrangements for a teacher to attend the meetings of such professional organizations if the teacher has membership in the organization which sponsors the meeting. Conference expenses and substitutes' salaries will be carried in the budget; however, requests for travel and attendance at meetings will be approved only if they are possible within the framework of the adopted annual budget. It will be the final prerogative of the principal and the Superintendent or his/her designee to determine who will be eligible to attend state and national meetings.
- B. Requests for permission to attend professional meetings must be made on Form Titled "Application for Approval of Professional Travel", Revised 9/2018, (**Appendix A1**) and must be filed and approved at least one (1) week prior to the meeting. Any exceptions must be approved by the Superintendent or his/her designee.

### Section 11 – Paid Teacher Visitation Day:

The Board encourages teachers to visit other schools and teachers to gain better understanding of methods and as a means of in-service education. This provision permits a teacher one (1) day per year to visit other schools for the purpose of observing the work of an outstanding teacher or to attend a professional conference, meeting, or workshop, which is directly related to the teacher's assignment. Form Number Per. 14, Revised 9/2012, (**Appendix A**), must be completed; permission is to be obtained from both the principal and the Superintendent or his/her designee at least five (5) days prior to the effective date of the visitation. The payment of expenses is not part of the Agreement, but the substitute teacher's salary will be paid by the school district. The day will not be deducted from available sick leave or from personal business leave.

### Section 12 – Paid Leave of Absence for Advanced Study:

A teacher may be granted a leave for advanced study. This leave, if possible within the framework of the adopted yearly budget, will be governed by the following policies:

- A. No more than two (2) such leaves for the entire professional staff will be available in any one (1) school year.
- B. A teacher who has at least five (5) years of experience with Perry Township Schools and is currently rated as highly effective or effective may be considered for this leave.
- C. The maximum length of leave will be one (1) year.
- D. A teacher must present a written, detailed proposal for study or research for approval by the Superintendent. This proposal must be submitted and approved by the Superintendent by January 1 of the school year preceding the year of leave. The Superintendent will then make his/her recommendation to the Board of Education, who will act upon that recommendation by February 1 of that year. The leave will be available only for full-time study or research programs which offer potential benefit to both the individual and to the educational program of the school system.
- E. The proposed study must be beyond an earned master's degree.
- F. All insurance benefits being paid to the staff member at the time the leave is granted will be paid.
- G. There will be a commitment for the teacher to return to Perry Township Schools for two (2) years.
- H. On completion of the leave, the teacher will be assigned to a position equal to the same conditions of employment- including FTE status upon date of leave.
- I. The teacher will receive one-half (1/2) of the basic salary he/she would have received had he/she taught instead of taking the leave.
- J. The payment for the leave shall be made equally on the succeeding two (2) contracts following the year of leave.

Section 13 – Absence for Court Duty:

- A. Teachers may be excused for jury duty or when subpoenaed to appear as a witness in court. A teacher will be given his/her regular salary less the total amount of per diem allowance earned for services while on such duty not exceeding thirty (30) teaching days, excepting as provided by law. It is the teacher's responsibility to secure from the court and deliver to the PTEC Business Office verification of the duty and the amount of payment for such duty. A teacher may request to be relieved from such duty, but the Board feels such experience may be valuable to the instructional staff member.
- B. In the event that a teacher receives a school-related subpoena, said teacher should contact his/her building principal for further assistance.

**ARTICLE III**

**PROFESSIONAL GRIEVANCE PROCEDURE**

Section 1 – Purpose:

- A. The purpose of this grievance procedure is to secure equitable solutions at the most immediate administrative level or at the earliest possible stage of a violation or claimed misapplication of a specific Article, Section, or Appendix of this Agreement or applicable state or federal law. Both parties agree that personal information revealed through these procedures shall be kept confidential at each level of the procedure.
- B. Nothing contained herein shall be construed as limiting the right of any teacher having a grievance to discuss the problem with the principal or any appropriate member of the administrative team without recourse to the formal grievance procedure.

Section 2 – Definitions:

- A. A "grievance" is a claim submitted by an aggrieved teacher or group of teachers, or the Association, reporting an alleged violation or claimed misinterpretation of a specific Article, Section, or Appendix of this Agreement or an applicable state or federal law.
- B. The "Grievance Report Form," Revised 09/2012, used in the formal grievance procedures can be found in **Appendix D** of this Agreement.
- C. A "grievant" shall be defined as a teacher, group of teachers, or the Association making a claim by filing a grievance.
- D. A "day" when used in this Article shall refer to a teacher's working day as that term is defined in the school calendar. During the summer recess, the term "day" shall mean weekday (Monday through Friday) except legal holidays. The number of days indicated at each level shall be considered as maximum, and every effort shall be made to expedite the process.

### Section 3 – Time Provisions Relating to the Grievance Procedure:

- A. A grievance arising prior to the effective date of this Agreement or after the termination date of this Agreement shall not be processed.
- B. If a grievance is filed so that sufficient time cannot be provided for all steps of the procedure before the last day of the school term before this Agreement is ended, the grievance shall be resolved under the terms of this Agreement and this Article and not under any succeeding Agreement.
- C. A grievance must be processed within the time limits set forth in the grievance procedures unless the time limits are extended by written agreement signed by authorized representatives of both parties.
- D. The time limits herein apply to a teacher on leave of absence other than sick leave as if such teacher were present and working.
- E. If there is a failure at any step to communicate the decision on a grievance within the specified time limit, the grievant shall then have the right to appeal to the next step of the procedure.

### Section 4 – Hearings:

Hearings, when required, shall be conducted at a time and place which will afford a fair and reasonable opportunity for all persons, including witnesses, who are entitled to attend. Grievance hearings shall be conducted during non-school hours unless there is mutual agreement for other arrangements.

### Section 5 – General Provisions Relating to the Grievance Procedure:

- A. No reprisal of any kind shall be taken by or against any participant by reason of participation in the grievance procedure.
- B. All documents, communications, and records dealing with the processing of a grievance shall be filed separately from the personnel file of the grievant and are not valid bases for assessment/evaluation or consideration for professional advancement or awarding any professional advantage to a teacher. The file will be available for the grievant to review when he/she so desires.
- C. A grievant, at his/her request, may be accompanied by a representative of the Association at all steps in the grievance procedure.
- D. A grievant (an individual or group of teachers) may present a grievance through the Association; the Association, as exclusive representative, may have a representative present at all steps in the formal grievance procedure. If the grievance is filed by the Association as grievant and if such grievance is limited to one (1) school, the grievance shall be submitted to the building principal involved. If more than one (1) school or the district is involved, such grievance shall be submitted at Step Two.
- E. No grievant, witness, or representative of the grievant who is employed by the corporation shall incur loss of salary as a direct result of participation in the grievance procedure.

- F. The grievance procedure shall not be used to contest or enforce assignment or termination of any teacher in regard to any position on the extracurricular schedule or to any other position which has a salary bonus or time-off or extra-time bonus.
- G. All formal grievances and the decisions shall be in writing.
- H. All written grievances and appeals of grievances must be signed by the grievant.
- I. All decisions rendered must be signed by the administrator making the decision.
- J. The formal grievance procedures shall be used only one (1) time for each grievance. Once a decision has been rendered, the grievant, if dissatisfied, may not engage the procedures a second time unless there has been a violation of constitutional rights.

Section 6 – Federal and State Law:

- A. Nothing contained herein shall deny to any teacher rights under State or Federal Constitutions or laws.
- B. A grievant shall not use the grievance procedure to appeal any decision of the Board or administration if such decision is pursuant to any order of or written agreement with any State or Federal regulatory commission or agency or any court order.

Section 7 – Grievance Procedure:

A. Informal Grievance Procedure

1. An individual teacher may present his/her grievance to the employer and have the grievance adjusted without the intervention of the Association or its representatives as long as the adjustment is not inconsistent with the terms of this Agreement.
2. Before submitting a written grievance, the grievant shall attempt to resolve the grievance informally by contacting the principal or his/her designee within twenty (20) working days of the time that the grievant knew, or reasonably should have known, of the grievance. The grievant and the person so contacted shall discuss the alleged grievance at a mutually acceptable time and place.
3. Within five (5) working days after the oral presentation of the grievance, the person so contacted shall orally answer the grievant.

B. Formal Grievance Procedure – Step One

1. If resolution is not achieved through discussion with the principal or his/her designee, a formal written grievance may be presented. The Grievance Report Form, Revised 09/2012, (**Appendix D**), must be received by the principal within five (5) working days following the act or oral response cited in Article III, Section 7, Subsection A, Item 3 of this Agreement.
  - a. The Grievance Report Form shall name the grievant(s) involved, shall state the specific facts giving rise to the grievance, shall identify by appropriate reference all provisions of the Agreement or law alleged to be violated, and shall indicate the specific relief requested.

- b. If the Grievance Report Form is not filed with the principal within five (5) working days following the oral response, the grievance shall be deemed resolved and shall not thereafter be processed.
2. Within five (5) working days of the receipt of the written grievance, the principal may meet with the grievant (and a representative if requested by the grievant to be present) to resolve the grievance. The principal shall give his/her answer in writing within five (5) working days following such meeting with the grievant; otherwise, the written answer shall be presented five (5) working days after receipt of the written grievance in the event no meeting was held.

#### C. Formal Grievance Procedure – Step Two

1. If the grievance is not resolved in Step One, the grievant may, within five (5) working days of receipt of the principal's written answer in Step One, appeal to the Superintendent of Schools by filing the grievance and the principal's answer along with any written response by the grievant with the Superintendent of Schools or his/her designee.

If the written grievance is not filed with the Superintendent of Schools or his/her designee within five (5) working days following the principal's response in Step One, the grievance shall be deemed waived and shall not thereafter be processed.

2. Within five (5) working days of receipt of the written grievance, the Superintendent of Schools or his/her designee shall meet with the grievant (and a representative if requested by the grievant to be present) to resolve the grievance. The Superintendent of Schools or his/her designee shall give his/her answer in writing to the grievant within five (5) working days of such meeting; otherwise, the written answer shall be presented five (5) working days after receipt of the written grievance in the event no meeting was held.

#### D. Formal Grievance Procedure – Step Three

A letter to the Board of Education requesting review shall include a copy of the grievance and a written explanation, specifically stating the grievant's position and reasons for the grievance, and the Superintendent's answer from Step Two. A copy of the letter shall be provided to the Superintendent of Schools, who shall, within five (5) days after receipt of the letter, provide the Board of Education with copies of the complete file relating to the grievance, including the principal's answer to the grievance as provided in Step One, all materials supplied in Step Two, including the Superintendent's written answer to the grievance and additional information as the Superintendent deems appropriate to support his/her position.

Upon receipt of the above-mentioned materials, the Board of Education may request additional written materials from the grievant or Superintendent, and shall schedule a conference with the grievant. This conference may be waived by the grievant when filing for a review.

2. Within thirty (30) days after receipt of the Superintendent's initial response, the Board of Education shall issue its written response on the grievance.

## ARTICLE IV

### **COMPENSATION PLAN: SALARY (INCLUDING STIPENDS), DEFERRED COMPENSATION, AND INSURANCE BENEFITS**

#### Section 1 – Basic Salary for Teachers Employed Prior to 2019-2020 School Year:

- A. The Basic Salary for teachers employed by Perry Township Schools prior to the 2019-2020 school year is the amount of the Basic Salary in the 2018-2019 school year plus any additional added to the base compensation earned through Article IV, Section 1, Subsection B and C, of this agreement.
- B. Compensation: Added to the Base Salary
1. A teacher must be evaluated as a Highly Effective or Effective teacher the previous school year (2018-2019) in order to receive an increase in salary. Any teacher evaluated as Needs Improvement or Ineffective cannot receive an increase in salary.
  2. For the 2019-2020 school year, \$1,870,918 will be paid in additional compensation.
  3. The two qualifying factors for a salary increase are:
    - a. Teacher Evaluation: Based on the PTS Evaluation tools.
    - b. Meet Academic Needs of Students: The teacher's school must achieve at least one of the following criteria:
      - i. K-12: 10% fewer failures on the ISTEP or ECA in Language Arts or Math based on pass rates OR
      - ii. K-8: Bottom 25<sup>th</sup> percentile in high growth in the area of E/LA or Math with 75<sup>th</sup> percentile in typical or high growth as determined by the State's accountability model OR
      - iii. K-8: Top 75<sup>th</sup> percentile in high growth with Bottom 25<sup>th</sup> percentile in typical or high growth in the area of E/LA or Math as determined by the State's accountability model OR
      - iv. K-12: School earned a letter grade of A , as determined by the State's accountability model OR
      - v. K-12: School letter grade improved by one (1) from previous year as determined by the State's accountability model OR
      - vi. 9-12: School demonstrated some measure of improvement based on ECA and 8<sup>th</sup> grade ISTEP OR
      - vii. 9-12: Graduation rate at 90% or increased by 2% OR
      - viii. K-12: Corporation graduation rate of at least 90% if other data is not received by July 31, 2019

4. The dollar amount of an individual teacher increase in salary will be based on the number of Compensation Units (CUs) the teacher earns. A full-time teacher that is evaluated as an Effective or Highly Effective teacher will earn 8.5 CUs. Full-time teachers that “Meet Academic Needs of Students” as outlined above will earn an additional 1.5 CUs. A full-time teacher can earn a maximum of 10 CUs. Teachers employed on a part-time basis will receive pro rata CUs.
5. Redistribution is not necessary. The CU dollar value is determined by using qualifying full-time equivalent bargaining unit members as explained above and below.
6. A Compensation Unit dollar value is determined by the following formula:

Funds available for salary increases / Total CUs earned by all teachers = Dollar amount per CU

Examples for illustrative purposes only:

- Assume 934 full-time equivalent teachers qualify for a salary increase. 934 teachers qualify for 10 CUs (9,340 total CUs). No teachers qualify for 8.5 CUs (0 CUs). This totals 9,340 Compensation Units. \$1,870,918 is available for salary increases.
  - \$1,870,918 Funds available for salary increase / 9,340 Total CUs = \$200.31 per CU
  - A teacher earning 10 CUs qualifies for a salary increase of \$2,003.10 (\$200.31 x 10 CUs)
  - A teacher earning 8.5 CUs qualifies for a salary increase of \$1,702.66 (\$200.31 x 8.5 CUs)
- In addition, the salary increase for each teacher would be \$2,003.10 if all 934 full-time equivalent teachers earn 10 CUs (\$1,870,918 / 9,340 CUs = \$200.31 per CU)  
(10 CUs x \$200.31=\$2,003.10)

C. Meeting Academic Needs of Students Base Salary: Perry Township Schools must offer a competitive base salary to attract and retain quality teachers. The minimum basic salary is \$42,500. The base salary of any teacher hired before ratification of this agreement that falls below the negotiated level for teachers being hired from outside the district on the new hire salary scale; listed in Article IV, Section 2, Subsection A; shall be increased to the commensurate level on the new hire scale (for teachers evaluated as Highly Effective or Effective each year under the current compensation model).

  3. For therapists (OT, PT, SLP) and school psychologists, one (1) year of experience credit shall be given for every year of private pediatric therapy or psychological services. This private practice experience, which may be either full-time or pro rata, must be verified.

4. If the new hire meets the requirements of letter C above, Article IV, Section 2, Subsection C, of this agreement, experience credit for military service will be allowed as evidenced by his/her Certificate of Discharge. A maximum of four (4) years of credit will be given.

C. Teachers who do not qualify for Article V, Section 2, Subsection B - Retirement Benefits may continue to participate in the health, dental, vision, long-term care, and life insurance programs offered by Perry Township Schools, provided the teacher pays one hundred percent (100%) of the premium as prescribed by the school district. Eligibility for these insurance benefits continues until Medicare eligibility for health, dental, and vision and until age 65/70 for term life insurance. Spousal carve-out and closed enrollment provisions will be in accordance with HSBT guidelines. A retiree may change plans in accordance with HSBT guidelines.

### Section 3 – Severance Remuneration:

Payments for any severance benefits will be made only if the teacher is living at the time of the final contract payment. Severance benefits will be paid only one (1) time to a given individual.

A. For teachers eligible for retirement (55/15/10):

1. Teachers who qualified for full retirement benefits according to INPRS before the beginning of the 2004-2005 school year, but who did not retire prior to the beginning of the 2004-2005 school year and who participated in the Attendance Incentive Program in the 2004-2005 school year, will:
  - a. receive an amount of sixty dollars (\$60.00) for each unused accumulated sick leave day,
  - b. receive up to two thousand dollars (\$2,000.00) in severance benefits on their final paycheck for INPRS calculation, and will

- c. have any remaining severance benefit deposited into a 401(a) account, the carrier for which will be mutually selected by the Board and the Association.
2. Teachers who qualified for full retirement benefits according to INPRS before the beginning of the 2004-2005 school year, but who did not retire prior to the beginning of the 2004-2005 school year and who do not participate in the Attendance Incentive Program in the 2004-2005 school year, qualify for the benefits outlined below:
    - a. the 401(a) Buy-out Program account outlined in Article IV, Section 24, of this agreement, and
    - b. a \$2,000 lump sum severance benefit for INPRS calculations at retirement if they have at least sixty (60) accumulated sick leave days.
  3. Teachers who had sixteen (16) or more years of experience before the beginning of the 2004-2005 school year, but did not qualify for full retirement benefits according to INPRS, qualify for the benefits outlined below:
    - a. the 401(a) Buy-out Program account outlined in Article IV, Section 24, of this agreement, and
    - b. a \$2,000 lump sum severance benefit for INPRS calculations at retirement if they have at least sixty (60) accumulated sick leave days.
  4. Teachers who had fewer than sixteen (16) years of experience before the beginning of the 2004-2005 school year:
    - a. qualify for the 401(a) Buy-out Program account outlined in Article IV, Section 24, of this agreement, but
    - b. do not receive any severance benefit at retirement.
  5. Teachers who began their service with the Perry Township Schools after the 2004-2005 school year and beyond do not receive any severance benefit at retirement.

Section 4 – Death Benefit:

- A. If a teacher dies while contracted for services in the Perry Township Schools, the school corporation will pay a benefit to the primary beneficiary who has been designated by the teacher on the basic life insurance policy provided by Perry Township Schools. Should the teacher not have a basic life insurance policy through Perry Township Schools, the benefit would be paid to the primary beneficiary who has been designated by the teacher and confirmed by the Indiana State Teachers' Retirement Fund (INPRS). The benefit is an amount equal to the number of accumulated sick leave days, not to exceed a total of one hundred twenty-three (123) days, multiplied by the average daily rate of the teacher's basic salary. Additionally, the benefit includes one hundred forty dollars (\$140.00) per year of service in the Perry Township Schools. If a teacher dies after the completion of a school year and prior to the beginning of a new school year, the death benefits shall be determined by using the new contract salary. The amount to be paid will be determined by multiplying the number of accumulated sick leave days by the daily rate of the contract without any overages or extended contracts included. Only those days accumulated while working in Perry Township Schools and those days transferred as allowed by law shall be used to determine the amount the beneficiary will be paid.

- B. Once a teacher qualifies for unreduced retirement from INPRS, if he/she dies, his/her spouse may continue the health insurance benefit outlined in Article V, Section 2, of this agreement.

#### Section 5 –Health Retirement Account (HRA)

##### A. Establishment and Maintenance of HRA Account:

1. Effective with the starting date of the 2004-2005 school year, the Board will establish a HRA (Health Retirement Account) for each teacher who did not qualify for unreduced INPRS retirement benefits prior to the start of the 2004-2005 school year.
2. The HRA account carrier will be selected by mutual agreement between the Board and the Association. The plan document will also be determined by mutual agreement.
3. The Board and the Association will establish a Deferred Compensation Plans Oversight Committee.

##### B. HRA Account Funding Guidelines:

The Board will fund the teacher's HRA account according to the following guidelines:

1. Per the Educational Services software program presentation assumptions made between the Board and the Association in negotiating the 2003-2005 Agreement, the Board funded with a lump sum the HRA account of any teacher with sixteen (16) or more years of experience prior to the start of the 2004-2005 school year.
2. The Board will contribute annually to the teacher's HRA account an amount equivalent to one percent (1%) of the base salary for any teacher with fewer than sixteen (16) years of experience prior to the start of the 2004-2005 school year and all new hires starting 2004-2005 or thereafter.
3. The account carrier will be selected by mutual agreement between the Board and the Association.

##### C. HRA Account Access:

1. The teacher will have access to the assets of his/her account upon retirement from the Perry Township Schools provided that said teacher has reached the age of fifty-five (55) years and has completed a minimum of fifteen (15) years of service, at least ten (10) years of which must have been completed in Perry Township Schools (55/15/10).
2. In accordance with Internal Revenue Code 501(c)(9) and any other applicable federal and state laws, the retired teacher may use the HRA account to purchase health insurance, health services, health products, and/or any other legally allowed items and services.
3. The retired teacher may use his/her HRA account assets to purchase insurance through Perry Township School's plan provider(s) at the then current group plan rate(s), provided the retired teacher pays one hundred percent (100%) of the premium for each plan chosen.
4. Upon the death of the retired teacher, any assets remaining in the HRA account shall be distributed according to the Perry Township Schools Plan Document.
