## Snapshot

The sixth largest district in the state, Perry Township Schools serves nearly 16,700 students across two early learning academies, four kindergarten academies, eleven elementary schools, two middle schools, two sixth grade academies, two high schools and two alternative learning programs.

As a premier school district, we are poised for additional growth. We welcome families from diverse cultural, ethnic, and socioeconomic backgrounds because the Perry community celebrates diversity as one of our strengths. We strive to provide equitable access, quality resources, and an inclusive environment to all of our students.

Perry Township Schools is committed to academic excellence. Our partnership with innovative educational programs such as Project Lead the Way facilitates real-world learning experiences that empower students to succeed in college, career, and beyond. We take pride in our team of award-winning staff who continually look for individualized approaches to meet students' needs.
