Abraham Lincoln Elementary is a proud educational environment, full of several learning opportunities for all students. Abraham Lincoln was a 2017 finalist for the NIET TAP founder's award, showcasing academic successes and continuation of personal growth.

The focus on growing students academically, socially, and emotionally requires students to have a well-rounded education. Students are provided extra curricular opportunities such as Robotics, Just Say No, Folk Dance, Project Perfect

learning and develop solutions for real-world problems, while collaborating with community members and other stakeholders.

Students will ground themselves through daily social/emotional lessons and discussions, as well as develop a strong sense of what it means to be a **S.T.A.R.** student at Abraham Lincoln. All students are expected to **Show** respect, **Talk** and act positively, **Always** cooperate, and be **Responsible** for their actions. Each day students are encouraged to grow themselves either socially, emotionally or academically to reach their greatest potential in life.

Clinton Young Elementary School is a beautifully diverse destination for learning. Each day is guided by our purpose statement: *Changing the world by empowering the CY family with the skills, knowledge, and confidence necessary to thrive at school, home, and in the community.*

Our students are challenged each day to be their best through a balanced three-tier approach of academics, social-emotional learning, and positive discipline. Clinton Young Elementary believes in the power of community and hosts

promotes success towards meeting state expectations.

Clinton Young also offers Project Lead The Way, an engaging STEM program that allows exposure to problem solving through the use of math, science, technology, and engineering. We participate in Playworks, an SEL approach to positive play and we offer a variety of extracurricular opportunities including Student Council, Art Club, WCYE, Spell Bowl, Girls on the Run, and the Reading is Magical Book Club.

to strengthen problem solving and thinking skills. PLTW strengthens communication and collaboration skills in all students through the problem-based learning modules.

Additionally, our students begin Spanish instruction in first grade and continue through fifth grade.

Furthermore, we provide support for all students through small group instruction, data assessments to monitor progress, and an extra 30 minutes of math and reading time.

Parents are encouraged to be an integral part of our team through PTA, Family and Student Support Team, and various volunteer opportunities. We hope that you will join us as we support and celebrate our students at Jeremiah Gray.

Named in honor of a local pioneer woman, Mary Bryan Elementary is committed to growing kids academically, socially, and emotionally. The outstanding educators and staff believe in a "student first" mentality, and work together with families to promote lifelong learning in a caring and diverse environment.

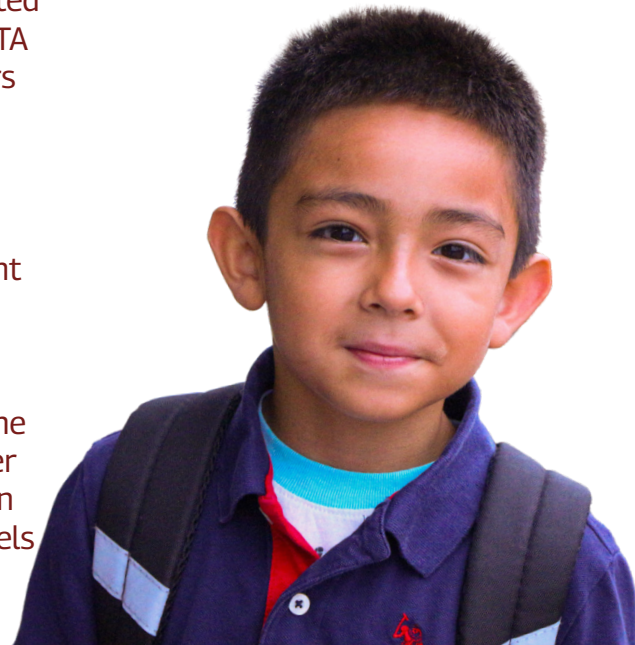

- ★ Mascot: Pioneers
- ★ All-School Reading Round Up
- ★ Multiple Donors Choose Recipients
- ★ Book Vending Machine
- ★ Variety of Student Clubs

We are thankful to be supported by a generous and involved PTA as well as community partners including, but not limited to, LaScala Villas and Southport Presbyterian Church.

Our students enjoy enrichment activities that allow them to experience music, art, media, language, fitness, leadership, and science not only during the day, but in our before and after school clubs. Students can join the Ukulele Club, Mary Minstrels

choir, the morning news show "Pancakes with Pioneers", and Lego Club, just to name a few. A highlight of fifth grade is being immersed in outdoor education at Camp Allendale. Moreover, our students give back to the community through a yearly food drive to support Hunger, Inc. In addition, we are fortunate to have the high school soccer, lacrosse, softball and baseball teams play on the professional quality fields on our campus.

We believe students thrive in a positive atmosphere. The school day starts with Reading Round Up, a time to promote a love of reading. Our social-emotional committee, utilizing the Second Step program, works to consistently cultivate a positive climate in our building. Additionally, students can visit our sensory room, large freshwater fish tank, and can't help but smile when petting our facility dog, Romeo.

JJ Tidd
Assistant Principal

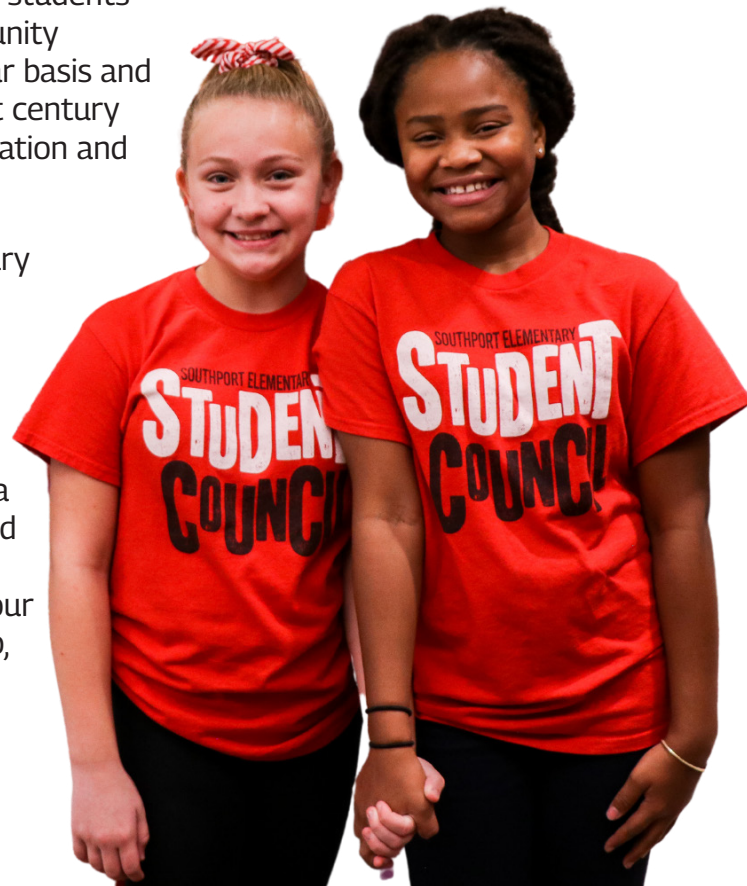

At Southport Elementary, our motto is "Whatever it Takes!" Our teachers and staff are committed to this mindset and work diligently every day to provide the best educational experience for our students.

We utilize a literacy workshop model, book clubs, differentiated phonics instruction, and small group math instruction to ensure that all students have exposure to grade level standards, while also being pushed at their individual academic levels.

Additionally, we implement project based learning as an instructional model where students are exposed to academic standards while solving real world problems. This approach allows our students to work with community partners on a regular basis and develop critical 21st century skills, like communication and collaboration.

Southport Elementary is also a state recognized STEM Certified School. Our students get the opportunity to participate in PLTW a hands-on science and engineering course, and can opt to join our Junior Robotics Club,

Robotics Team, and Math Team. Additional clubs include Sprouts, Monumental Running, Student Council, Spell Bowl, Eagle Action News, and Magic Club.

by recognizing students who exhibit respect, manners, responsibility, and kindness. Students are encouraged to participate in Student Council, Wildcat Club, Code Cats robotics team, and Spell Bowl. Students are also encouraged to gain mathematical proficiency in our math masters program. The Project Lead The Way program is also part of the instructional curriculum for all students.

Parents and community members are invited to be involved in the PTA, family math/literacy/technology nights, and classroom field trips. A special trip is when our fifth grade students attend outdoor education at Flat Rock YMCA camp. At Winchester, we strive to know each child's unique needs and help them achieve their fullest potential.
