Lovejoy's Letter

Aloha Families,

With a great full month of August in the books and now some cooler weather. We are looking great. We have 108 students attending the Compass Education Center and our attendance rate is over 85%. This is great news for our students. With that being said we have 7 students that have not missed a day of school.

1. Austin Fishburn
2. Isaiah Jenkins
3. Kamarion Jones
4. Duane Morrison Wade
5. Ashly Pasada
6. Brandon Hayden
7. Allen Vazquez Tello

This is a great thing, knowing that our students have all had attendance issues in the past. We love to see them every day. Our enrichment Fridays are going well, currently we only have 39 students with an F on their report card. This is GREAT but it will continue to go down as we progress the remaining 4 weeks. The phone pouches are going well with only a couple of small issues. Our students are talking more to one another, as they don't have phones to text or message people. We are so thankful for your support in helping our students grow and glow. Seeing the smiles daily makes our work so much more rewarding. As we close out the quarter, please continue to encourage your child to come to school daily.

Here are some upcoming meeting students should be aware of.

I have a C9 counselor meeting Friday, September 6

21st C Scholars first visit: September 10th

Craig's Corner

We are so excited to have had such a great start to the school year. Your students are enthusiastic, creative, and curious. We can't wait to see how much growth they each have during this nine weeks.

We will be offering students an opportunity to see a school nurse. Students will be able to sign up privately and meet with a school nurse in a private location. We hope to have this starting by the first week of September. Please contact me if you have any questions. I can be reached at 317-789-3949, through Parent Square, or at acraig@perryschools.org.

Compass Connect will meet September 4 to discuss fun activities for students to join at CEC. Please encourage your student to attend and share their great ideas. This week, we had our first dress-up day: "Dress Like Your Favorite Celebrity." Big thanks to all the students and staff that participated!

Enjoy the long weekend!
