Lovejoy's Letter

Aloha Families,

What an end of the week. We are looking for great things and we are getting that. We only have a small number of students on our struggling list. Most of the students are getting things done in a manner that has so much success. We are proud to have them in our building, enriching our lives. As we move forward into the final two weeks in the quarter it is important that we let you know your child could have three (3) weeks off for fall break. If they have all B's in every class and have completed all their online classes they could get a pass on the final for all classes. So, push them, poke them, encourage them to get things done and get going.

Two things that need to be addressed.

1. We will no longer allow students to carry backpacks or any type of bag into school. No student is allowed to bring them into the building.
2. A Save the Date notice should have come home with your child. We have a Bringing Change to Mind fair on Sept 26 from 6:00 to 7:30 pm. Students, along with parents are invited to this event. Pizza will be served from 6:15 to the end as you folks work to make things better.
3. As we mentioned at the beginning of the year, students lock their phones up in pouches during the school day, to follow the state mandate. Some students have been damaging their pouches in order to access their phones. Students will be charged a fee of \$30 to replace the damaged pouch. There is also the possibility of having to turn in their phone during the school day.

Have a great weekend!

Martzall's Minute

Last chance for senior photos to get in the year-book for 2025

SHS 9/18 - Will leave CEC at 9:45

Please see Mr. Martzall to sign up.

DATES TO KNOW...

Wednesday, Nov. 27-Friday, Nov 29—**Thanksgiving Break**

Friday, Dec. 20—End of 2nd Quarter

Monday, Dec 23—Friday, Jan 3, 2025—**Winter Break—NO SCHOOL**

Springer's Stake

Here are some upcoming meeting students should be aware of:

FAFSA: Dec 10, Jan 16, March 13, April 3

IVY Tech first Informative Visit: October 24th

IVY TECH sign-ups for the tour starts the week of October 28th.

IVY TECH visit: November 19th

Students learned a little bit of history on Wednesday, September 11th. Our staff shared a short memorial video about 9/11 and the resulting changes still in affect today. The events of that day happened even before some of our staff were born, but the staff who were around shared some o their experience of the days.
