Lovejoy's Letter

Great Start to the Year!

We're off to a fantastic beginning! Our student body has shown strong energy, positivity, and impressive grades during the first two weeks of school. We're excited to see this momentum continue!

First Enrichment Friday

Today marked our first Enrichment Friday, and it was a success! A reminder to all students and families: to participate in Enrichment Fridays, students must maintain at least a strong **C average in all classes**. Let's stay focused and keep those grades up!

Back to School Night Highlights

Thank you to the families who joined us for Back to School Night. While we had only a few students in attendance, we enjoyed strong family engagement and meaningful activities. It was a great opportunity to connect with both families and our amazing community partners. We truly appreciate your support!

Attendance Reminder

Please be aware that if your student has **5 or more absences**, you will receive a **notice of conference**. Regular attendance is key to academic success, so let's work together to ensure students are in school and ready to learn.

Looking Ahead

Enjoy the weekend! We look forward to seeing everyone back on **Monday**—ready to go and with **Chromebooks fully charged!**
