## Martzall's Minute

Students will be taking the PSAT at their home school. They should be dropped off at their home school on testing day and will be shuttled back to the CEC after testing is completed. PMHS testing is on 10/28 and SHS is on 10/29. Have a great weekend!

## Springer's Stake

I will start meeting with seniors next week about their progress and what they need to complete for graduation.

We still have spots open for the C9 and IVY Tech Tours. Please have your student see me if they are interested!
