## Lovejoy's Letter

We're already halfway through the second quarter! As the cool weather sets in, don't forget to dress warmly. Get those coats, hats, and gloves on to help keep you comfortable and warm.

Grades will be coming out soon, so make sure you're caught up and have all your work turned in. If you continue to hold on to the low grades you will be losing your phones in school.

Thanksgiving is just around the corner, and before we know it, Old Santa will be making his visit!

With the current issues from our government, we understand times may be challenging. If any of you need assistance or support, please don't hesitate to reach out to us — we're here to help.

Stay warm and take care!
