Parents/guardians of students in grades K-2:

A parent or guardian **MUST** be home to receive children in grades K-2 from the school bus at the end of the school day.

If no one is home upon the young student's arrival, the child will be returned to the school where the parent will be required to pick up the student. Thank you in advance for your cooperation

On Tuesday, September 3, 2024, Perry Township will exclude students who are not current with vaccinations from attending school, in accordance with Indiana state law. Please check your child's shot record and either submit a complete record to school or make an appointment for your child to receive necessary shots and provide documentation of the appointment to school. If you have questions, please contact us. Also our vision/hearing screenings will be September 9th & 10th.

This school year, we are implementing the Amplify CKLA reading curriculum in our classrooms. Our teachers are learning and implementing a new curriculum, making assessments and grades an early challenge. To ensure we accurately depict student progress, we will not issue grades in reading and ELA for the first quarter in grades one through five. Instead, teachers will continue to communicate your student's progress in reading and ELA by sending home the results of our MClass assessment, a comprehensive evaluation that reports each student's progress in reading. This, along with class assignments and assessments, will show you their progress in daily tasks, providing a holistic view of your child's academic development.
