If your child is going home a different way than they usually go home, please try to make those arrangements before sending your child to school. Please send a note in to their teacher. The office is not allowed to call into the classrooms unless it is an emergency. All transportation changes must be made before 3:00 pm each day. If you are picking up your child at the end of the day, please use your car rider tag. If you need to pick up a tag or if you forget your tag, please come into the building with photo ID. Anyone who comes into the building after 3:20 on Wednesdays or 3:45 every other day will have to wait until all car riders have left our parking lot. This is for the safety of our children. Thank you!

Douglas MacArthur Elementary Mission Statement The mission of Douglas MacArthur Elementary School is to provide a safe learning environment that fosters an appreciation for lifelong learning and good citizenship through high academic standards. We believe...

- Every child has the capacity to learn.
- Each child is unique and has the right to a safe and supportive environment where children feel connected academically, socially, and behaviorally.
- Our school fosters good citizenship, an appreciation for lifelong learning, and high academic standards.
- The Indiana Standards are the "cornerstone" to reaching our diverse population.
- Parents, students, teachers, administrators, and the community share responsibility for fulfilling the school's mission.

Our School Nurse program is staffed by nurses from Community Health Network and will provide limited services to all students, including but not limited to - screening for signs of illness, first aid/emergency care, referral to health providers in the community, nutrition services, health education, health screenings and immunization information. This is a School clinic and all records are maintained by the School. There is no charge to you for the services received. If your child needs prescription or over the counter medicine, management of chronic health conditions or any health needs requiring a physician order while in school, your written permission is required, in advance. In an emergency situation, to prevent death or serious injury, the School Nurse and School staff will act to prevent such injury or death and stabilize the situation
