INTRA-DISTRICT TRANSFER REQUESTS FOR THE 2026-2027 SCHOOL YEAR

For elementary and incoming kindergarten students currently living in Perry Township, Intra-District Transfer applications will be accepted January 5-February 13, 2026. Applications will only be accepted after this period from families that are new to Perry Township. Acceptance letters will be mailed to households after March 13, 2026. If a parent chooses not to accept the Intra-district transfer for the 2026-2027 school year, they must notify the office of Assistant Superintendent for Foundational Learning at The Perry Township Education Center no later than April 30, 2026. We anticipate that each Kindergarten Academy will be able to accept up to 20 transfer students. Intra-District Transfers are good for as long as you are in the school. A new form will need to be submitted when going into the 6th grade, or from kindergarten into 1st grade. Current transfer students do not need to complete a new form. Requests must be turned into the requested school by February 13, 2026.

2026 – 2027 Kindergarten Registration Information

Kindergarten registration will begin on January 5, 2026 for those students who will be entering Kindergarten in the Fall of 2026. The student must turn 5 years old on or before August 1, 2026 in order to register. There is a waiver process for children with a birthdate after August 1st up to August 15th. The Kindergarten Academy your student will attend is determined by your residence only and not where other siblings may be attending. To determine which Kindergarten Academy your child will attend, please go to the Perry Township website at [perryschools.org](https://www.perryschools.org). Go to the For Parents tab, click on Enrollment, and Boundary Map. <https://www.perryschools.org/for-parents/enrollment>

Yearbook pictures will be taken on Feb. 3rd. If your child is in a club (Art in Action, GUTS, Robotics, etc) have them bring their T-shirt for pictures that day.
