

NOTE: The languages are listed here in alphabetical order; while numerically it may be in order in parts, due to the evolution of the list, it is not consistent. It is important to note that many languages have multiple names and spelling variations. If you cannot find a particular language alphabetically, do a search for the language and variations in spelling ("Ctrl + f" for Windows; "Command + f" for Mac), as it may be associated with another language. For instance, "Lugwere" is a variation of "Gwere" but does not stand alone on this list; instead it is found: "Gwere (or Lugwere)".
