Picture Day
Running South

Run, Hide, Fight-Important Parent Information

All Perry Township Schools will conduct a Run, Hide, Fight emergency drill. The Indiana Department of Education requires every Indiana school to conduct one man-made occurrence disaster drill each semester. To meet that requirement this semester, school leaders and Perry Township School Police have organized the Run, Hide, Fight exercise. During the upcoming drill, students will remain in locked classrooms with lights off while staying away from windows and doors. School Police have worked closely with administrators at each school to teach them what they can use to counter an intruder and protect our students. Planning for the drill also allowed Police to re-familiarize themselves with school personnel and the differences of each building. The drill should last no longer than 20 minutes. Our students' safety is always a top priority. If you have any questions about Run, Hide, Fight, please contact your child's school.

MEDICATION POLICY

Medication can be administered at school. The following rules apply to prescription and non-prescription medications:

1. All medication must be in its original container, not expired and have the student's name on it.
2. Specific instructions for administering the medication must accompany it. For example, you must specify the amount of medication to be given and the time it must be given.
3. The student may bring the medication to school
4. For any student to be seen in the clinic, a consent form must be signed each school year. This can be found in Skyward or a paper copy can be obtained in the nurse's office.

IMPORTANT MEDICAL INFORMATION

Each School year a parent consent form to treat and provide medical services must be filled out. This is a State of Indiana and Perry Township Schools policy. Please go into your child's SKYWARD account and complete the 3 page form. If you have any questions, please contact your school office.

Please note: This form must be completed for each child you have in Perry Township Schools.

5th Grade Wander Indiana

- Chaperones please make sure your background checks have been completed. Only legal guardians are allowed to chaperone.
- Payments may be made by cash or check. Checks should be payable to Glenns Valley and include student's name in memo line.
