The Glenn's Valley Student Council will be sponsoring a fundraiser for an organization called **Pack Away Hunger**. The fundraiser will take place for three weeks beginning on Monday, February 10th and ending on Friday, February 28th.

Pack Away Hunger is a non-profit organization that is dedicated to greatly improving the lives of children and others who suffer from hunger and malnutrition. It affects 15.8 million children in the United States and 1 out of 6 children in developing countries. The lack of proper nutrition creates serious health and development consequences for children.

The students will be collecting money, so that we may pack 3,000 to 4,000 Nutri-Plenty Meals. Each meal contains a blend of 21 vitamins and minerals. They also contain a healthy mixture of rice, soy, vegetables, and flavorings. The meal is easy for families to prepare, requiring only a pot of boiling water and a spoon. Each meal costs only \$0.30 to prepare, so donating \$1.00 will pack three meals!

Next week we will be holding classroom competitions. There will be a winner in each grade level. Please help us to reach our goal by donating to this worthy cause. Money can be turned into your child's classroom teacher.

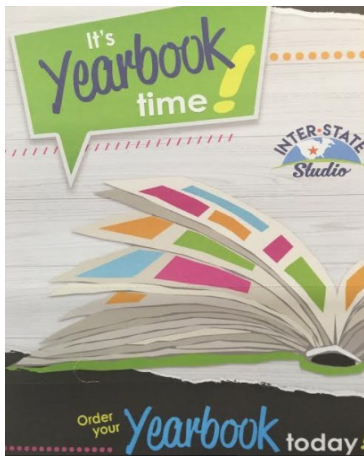

The logo for Pack Away Hunger features the words "PACK AWAY" in a light grey, sans-serif font at the top. Below that, the word "HUNGER" is written in a large, bold, blue, sans-serif font. A stylized orange bowl with a white spoon is positioned over the letter "H". At the bottom of the logo, the tagline "Life. Changing. Nutrition." is written in a smaller, grey, sans-serif font.

Mark your calendars! **Tuesday, February 25th is our Family Literacy Night!** Families are invited to attend from 6:00- 7:30 for a night filled with reading fun! We will have different literacy stations throughout the building where parents can work with their children to learn different strategies to help them with reading. There will be a snack while you listen to some of the teachers read stories online. We have an author coming to share their book with you. The Book Fair will be set up that night for shopping, so you can have a first chance at the books. We have some amazing prizes that we will be giving away at the end of the night: A Kindle, baskets of

books, and gift cards to Barnes and Noble! Students will get to choose from a selection of books at the end of the night that have been purchased as a thank you for coming! Please keep in mind this is separate from the book fair.

We hope to see you there.

Census 2020

An accurate count of all children is critical for students because 2020 Census responses drive decisions about the distribution of federal funds for special education grants to states, the National School Lunch Program, the Child Care and Development Block Grant, and Temporary Assistance for Needy Families, as well as other programs and resources that meet the needs of children outside of school, year-round. Participating in the 2020 Census Statistics in Schools program is a way to help shape the future of your community. Please respond to the once-a-decade census. You won't have the opportunity to help shape the future of your schools and community in this way again until 2030.
