5. High Ability Testing

For the School Bulletin (**Second and Fifth Grade High Ability Screening**):

Dear Parents/Guardians of second and fifth grade students:

We need additional information on the academic needs and performance of individual students in order to provide instruction at the appropriate level for each child. We are continuing our screening for the high ability program and depending on the information needed your second or fifth grade child may be administered a standardized test during the months of January-February. Parents of students who qualify for the program will receive a letter by the end of May. If you have any questions regarding testing, please contact Kim Jovic at kjovic@perryschools.org
