PMMS Football for 7th Grade

Coach Bova, from PMMS Football, visited PMA lunches to get names of students interested in football at PMMS. He collected student names, emails and phone numbers so that they can communicate information about middle school football and summer workouts. If you aren't sure if your student signed up, or if you'd like to register an additional phone number other than what your child shared, please text "@48c73g" to the number 81010. This will put you on the text list to receive information from Coach Bova. From there, you can download the Remind App if you'd rather use that!

DRIVERS AND MONITORS WANTED

Perry Township Schools is hiring bus drivers and monitors. The pay is competitive. The schedule is flexible. Best of all, you can set a positive tone for students as they start the school day and encourage them as they head home.

Immediate training is available. Interested applicants can apply online:
