Free Meal Program

While all students are eligible for free meals for the 2021-22 school year, there are restrictions to the program per the U.S. Department of Agriculture's (USDA) guidelines.

If your student brings lunch from home but still wants milk, fruit, or a vegetable to go with their meal, the USDA requires us to charge a small fee because it is considered an a la carte "add-on" purchase. According to USDA rules, the free program only applies to "complete" meals.

To avoid this fee, students who bring their lunch from home are invited to go through the lunch line and get fruit, vegetable, and milk for FREE. This meets the USDA requirements for a balanced meal so there is no cost.

The program will run through June 2022, or until USDA funding runs out (whichever occurs first).

SCHOOL LUNCH!

**Bringing your lunch from home?
Add a fruit, veggie and milk for FREE!**

This year, lunch is free for all, but for those who wish to grab a milk or add a fruit, you must pick 3 to count as a free lunch. Your child can still purchase additional a la carte items. Enjoy lunch or lunch add-ons.

All make for a nutritious lunch to fuel our students for the day.
