intended to help

Glue Sticks: Because some supplies are used in a community fashion, it is best to avoid novelty glue sticks.

Vinyl/Plastic folders: All folders need to have the clasps in the middle. Plastic folders hold up better throughout the year.

Expo Markers: We use these frequently for all subject areas. Low odor is best.

Tool kits (pencil boxes): The best size is approximately 8"x5"x2". Larger tool kits are harder to store in the classroom.
