PERRY TOWNSHIP SCHOOLS

**“EMPOWERING STUDENTS TO GROW ACADEMICALLY,
SOCIALY & BEHAVIORALLY”**

Mission Statement

The mission of Perry Township Schools is to provide educational opportunities that create a desire for lifelong learning that inspires all students to maximize their academic success.

AGENDA - WHY DO WE ISSUE ONE TO EACH STUDENT?

This School Agenda has been designed to help you manage your time and plan your day so that you can take an active part in controlling your academic achievement.

Southport Academy Staff expects every student to:

- **Bring the agenda to school every day, all classes, and home each evening.**
- **Keep all pages in the agenda without folding them. Refrain from writing on the covers.**
- **Purchase a new one if the agenda is lost, stolen, or damaged.**

Teachers will expect students to:

- **Record assignments in their agendas (may be checked).**
- **Be aware of exactly what the teacher expects and when it is due.**

Everyone can be successful at Southport Academy.

- **Attend regularly, come prepared to learn, and complete your homework.**
- **Listen to adults the first time, without question, and without comment.**

ADMINISTRATIVE MESSAGE

We would like to welcome you to the 2021 - 2022 school year. We anticipate this year to be one of the most exciting and productive years you have ever had in your educational career. The Student Handbook was developed for your convenience and is an excellent reference. Although it does not contain everything about Southport Academy, it is an excellent guide for information on a wide range of topics.

Students, Southport Academy is **your** school. Adults are here to lead and facilitate your learning while assisting you with decisions that impact the school climate. We encourage you to become involved in the activities at your school. Your participation in a variety of activities will make your experiences at SA more worthwhile. Parents, rarely do students maximize their learning potential when the school and home do not work closely together. The SA staff is committed to working with you to help your child's experiences at Southport Academy be positive and academically rewarding. You are encouraged to promptly communicate with SA staff when you have a question or concern, so we can work together to address the situation. We look forward to sharing the 2021 – 2022 school year with you.

PROMOTING SUCCESS: HOME – SCHOOL COMMUNICATION

A student's success depends not only upon his/her own efforts, but also upon school and home working together, supporting each other. The key to effective efforts on the part of home and school is communication. However, because academy school students have more teachers each day compared to elementary school, communication sometimes lapses when it doesn't need to. Below are effective ways for parents to promote school and personal success in their children, including communication recommendations.

1. For individual classes, always contact that teacher first. Each teacher has a direct telephone line with voicemail and an e-mail account. (First initial, last name, then @perryschools.org).
2. Southport Academy's weekly newsletter, The Cardinal Connection, sent by ParentSquare each Friday.
3. Check ParentSquare for messages and assignments from teachers.
4. Check Skyward for grades.
5. Follow us on Twitter @Southport6th.
6. Have your child ask his or her teacher to initial the assignments written in the Agenda each day.
7. Set up a time to visit your child's class(es).
8. Call one of the school counselors, Mrs. Shively at 317-789-1461 or Mrs. Ralston at 317-789-1404, to schedule a conference with his/her teachers.
9. Use specific short-term (daily) consequences/rewards to encourage your child's responsibility.
10. Use logical consequences. (i.e. they lose their materials - they earn the money to pay for new ones.)

Below are step-by-step instructions to navigate your way through the different on-line resources.

ILEARN TESTING

The ILEARN testing window will be from April 18 – May 13, 2022. Please do not schedule appointments that would cause students to miss any of the testing.

READING INVENTORY (RI) TESTING

The Lexile Framework for Reading is an approach to reading measurement that matches students to appropriately challenging reading materials. The Lexile Framework measures both reader ability and text difficulty on the same scale, called the Lexile scale. This approach allows families and teachers to encourage reader progress using Lexile measures and a broad range of Lexile products, tools and services. Students will complete the Reading Inventory three times a year in August, January, and May. Students who have Read 180 will complete the test four times a year in August, December, January, and May. Students are encouraged to select books that are challenging.

For more information regarding the Lexile, please go to www.lexile.com

EVALUATE TESTING

The Evaluate Assessments (Math and LA) are created from pacing guides. Reports on these assessments provide educators with detailed information for targeting and personalizing instruction. Educators can assess student progress and provide immediate online instruction based on student results at various levels.

REPORTING OF STUDENT PROGRESS

Parents are kept informed of their child's progress through mid-terms if D or F, report cards, Skyward, emails, telephone calls, and through parent conferences. The computerized report cards at the academy are normally issued the following week of the completion of each grading period. Report cards are issued each quarter to keep parents informed of student grades/effort. Only final grades are placed on permanent record cards.

Effort Grades

Effort ratings from 1 (highest) to the 5 (lowest) are used to indicate each student's effort in relation to his/her potential according to the professional judgment of the teachers.

Cardinal Reading Counts (CRC)

Students will receive two performance grades each quarter for CRC's. The first performance grade will be a percent of points earned for reading books. Students will be required to read and earn 30 points per quarter. Students have three attempts to pass (80% or better) a reading comprehension quiz after each book. A second performance grade will be entered at the end of the quarter that is an average of all Reading Counts quizzes (passed and failed). Teachers may assign practice assignments for CRC's as well.

Late Assignments

Assignments may be accepted late but penalized at teachers' discretion. Students will receive a day to make up work for each day of absence.

Midterms

Midterm grade reports will be communicated to parents and students with D's or F's.

GRADING VS. GRADE

The purpose of **GRADING** is to engage teachers and students in the process of assessing progress toward targeted knowledge and skills to inform learning and instruction. The purpose of a **GRADE** is to communicate to students, families, and teachers the level of competency a student has achieved toward a standard or learning target. A grade is a reflection of both Practice and Performance activities.

PRACTICE AND PERFORMANCE

WITH SUPPORT 20%

Checking progress toward targeted knowledge and skills that helps to inform both the student and teacher about the learning taking place.

With this information, instructional decisions can be made about what comes next in the learning process.

NO SUPPORT 80%

Assessing progress toward targeted knowledge and skills that shows a level of competency.

This is a measurement of achievement. An example of what a student can create or produce as a result of the learning process.

LOWER STAKES

- Freedom to Fail
- More Chances
- Re-Dos and Edits Welcome
- Feedback is Critical
- Smaller Chunks
- More time given

HIGHER STAKES

DRESS CODE GUIDELINES

PURPOSE

It is the desire of the Southport Academy's administration to create a learning environment that focuses on academic achievement and a sense of community. In so doing, we hope to accomplish the following:

Create an environment for all students that encourages and promotes:

- A positive, healthy self-esteem
- Unity, comradery, sense of belonging, and purpose
- Character development rather than physical appearances
- Academic challenges versus socioeconomic status

Following is a list of appropriate dress for Southport 6th Grade Academy:

Students and parents share the responsibility for making sure that students dress cleanly and neatly at all times and for making sure that students maintain a healthy and respectful appearance by adhering to the rules of the uniform dress policy while attending school and school activities. **Administrators will take disciplinary action when students fail to adhere to the uniform dress policy. The administration reserves the right to determine what is considered inappropriate or disruptive to the educational process.** The best advice is: "When in doubt, rule it out."

Students arrive to school in compliance with dress code and remain in compliance with dress code until arriving home after school. Perry Township Schools does not authorize use of cell phones, music playing devices, or any other electronic devices not required for school use, during the school day. **Cell phones/smart watches are to be kept in the locker and turned off during the school day.** Violations may result in discipline as well as confiscation. School officials reserve the right to search the contents of the cell phone/smart watches if there is reasonable suspicion that the search will reveal information regarding a violation of school rules. Personal property will only be returned to a parent or guardian. School officials will make every possible effort to safeguard confiscated items; however, the school and or school corporation will not be responsible for damage or disappearance of any confiscated items. **All confiscated items must be picked up no later than the end of the school year.**

**Further information can be found in the Student Rights and Responsibilities booklet.*

GUM CHEWING AND CANDY

Chewing gum and eating candy is a distraction to the learning process. This distraction affects the teacher, other students, and the student with the gum or candy. Careless disposal of gum and candy in drinking fountains, furniture, and carpet presents sanitation problems, unnecessary work for the custodians, and sometimes-costly repairs. **Gum and candy are not allowed.** Repeated violations of the gum and candy policy may result in a referral to the office.

SELLING/TRADING THINGS IN SCHOOL

Selling, bartering, and/or trading of things in school is strictly prohibited. No candy, gum, cookies, or other items sold to make money for individual causes will be allowed. Solicitations for fundraisers will not be allowed in school.

At Southport 6th Grade Academy the Bully Prevention Committee has defined bullying as “deliberate physical or psychological abuse of an individual by one student or a group of students over time to create an ongoing pattern of harassment and abuse.”

Students should report any bullying to a school employee. Repeated acts of bullying will result in disciplinary action.

**Further information can be found in the Student Rights and Responsibilities booklet.*

GANG ACTIVITY POLICY

For purposes of this policy, Perry Township Schools defines a gang as “any group of two or more persons who join together for destructive or violent purposes,” and/or as defined by IC 35-42-2-1.

The presence of gang and gang activities can cause a substantial disruption of and interference with the educational function of the school system. Perry Township Schools will not allow disruptive students to interfere with its educational function and responsibilities, and endeavors to maintain an atmosphere in the schools that is conducive to learning. Therefore, Perry Township Schools will not tolerate gangs or gang-like activities. Students are in violation of this policy if involved in substantiated gang related incidents and will be dealt with to the fullest extent allowed by the Perry Township Schools and the statutes of the State of Indiana.

SCHOOL BUS CONDUCT AND SAFETY

All students who ride a school bus should feel that they belong, are respected, and share the rights and privileges, as well as the responsibilities, of the entire busload. Obeying the rules will better ensure the rights, safety, and well-being of all student passengers. Infractions of bus rules will result in disciplinary action, which may result in the loss of bus riding privileges.

As students board the bus, they will be required to scan their ID badge over a special card reader. This action will serve two purposes:

1. It creates a record of when and where the student scans their card and boards the bus.
2. It alerts the driver if a student attempts to get on the wrong bus or exits at an unassigned location.

**Further information can be found in the Student Rights and Responsibilities booklet.*

IF YOU MISS THE BUS

If you miss the bus, let your parents know immediately and make arrangements to get to school as soon as possible. Failure to reach school for this reason is an unexcused absence.

RIDING BUSES OTHER THAN ASSIGNED BUS

Students are required to get off the bus at assigned stops and required to ride the same bus both morning and afternoon. When waiting for the bus, please remember, for safety, to stand 10 feet back from the roadway. **Only in an emergency situation will students be allowed to ride a different bus home or to school. A parent note is required describing the emergency, and this note must be submitted to the assistant principal by noon. The receiving parent must also write a note stating their knowledge of situation. (Staying overnight at a friend's house is not considered an emergency.)** If permission is given, the note will be signed and the student will give to the bus driver.

STUDENT SERVICES

Southport 6th Grade Academy offers a variety of services to students, parents, and faculty members. These services include helping students to achieve academic success, assisting with educational planning, interpreting test results, and assisting in scheduling. In addition, the staff assists students individually, as well as in support groups, dealing with personal and family issues. In some cases, referrals to private and community agencies may be used to enhance our school services.

TARDINESS TO CLASS

It is important that the students develop the lifelong desirable habit of being time responsible. Our school has developed a system of procedures and passes to enable students to conduct any necessary business without being late. Teachers should be able to begin class instruction without having to stop, admit late students, and then begin again. Repeated tardiness to class shall constitute grounds for consequences from an Administrator including but not limited to: parent contact, lunch detention, after-school detention, in-school suspension, or out-of-school suspension. Teachers will inform parents on the student's second tardy to class so that together this problem may be solved.

TARDINESS TO SCHOOL

1. Most tardiness to school can be prevented. Students may arrive to school no earlier than 7:45 a.m.
2. Students tardy to school (after 8:10) must: enter at door 1, report to student services, sign-in, and give reason for tardy, and receive

a pass to class.

- Continued tardiness will result in a referral being made to the Social Worker. This referral is computer generated on the student's 5th tardy to school.
- The school counselor will also become involved with the student who is repeatedly tardy.
- Excessive tardies to school may result in being put on Legal Notice and other disciplinary action may apply (i.e., after-school detention) This means a doctor's excuse is needed when absent. Students will be referred to court for multiple unexcused tardies to school.

ABSENCES

Regular attendance is a prerequisite for good education. Regular attendance also indicates desirable health habits. It is the student's responsibility to have regular attendance. **PARENTS SHOULD CALL THE ATTENDANCE NUMBER (317-789-1402) TO REPORT AN ABSENCE.** The reason for the absence should be reported in this phone call. If phone contact has **NOT** been made with the parent, the student **MUST** bring a parent note to Student Services upon returning to school.

Truancy is the willful refusal of a student to attend school. Examples include, but are not limited to the following:

- Leaving school for any reason without signing out or receiving permission from the office.
- Student refuses to attend school.
- Absence from school without prior permission from parent/guardian. This includes when a student misses the bus if the parent is unaware the student has missed the bus.
- Absence from class without proper permission.

The policy for **credit /no credit on completed work due to absence** is listed below:

	DAILY	TEST/
	HOMEWORK	PROJECTS
Regular Absence	Full credit	Full credit
In-school suspension	Full credit	Full credit
Out-of-school suspension	Full credit	Full credit
Truancy	No credit	Cannot be made up

**Further information can be found in the Student Rights and Responsibilities booklet.*

WORK MISSED WHILE ABSENT

When students are absent, they are expected to make up work. Work not made up will be reflected in lower grades. **Students who have been ill or hospitalized** or will be absent **three or more days** because of illness may have their assignments sent home by contacting Student Services (789-1462). To request assignments, **parents should call before 8:00 a.m.** or the day before assignments are to be taken home. Assignments are also available through Canvas.

Student Services does not gather assignments for students who know ahead of time that they will be out of school for an extended vacation, funeral, etc. It is the **student's responsibility to request the assignments from each teacher** by bringing a written note from the parent/guardian stating when the student will be absent.

It is expected that the work will be completed and returned to the teachers when the student returns to school or before additional work is requested.

**Further information can be found in the Student Rights and Responsibilities booklet.*

WITHDRAWING FROM SCHOOL

Parents are to inform Student Services in advance when withdrawing their child from school. **On the last day the student attends Southport 6th Grade Academy he or she should plan to stay the entire day.** All textbooks, Media Center materials, and any other property belonging to the school must be returned. Copies of the withdrawal form and the health record will be given to the student to take to his/her new school. Additional records will be copied and sent to the new school upon written request from the school.

CRISIS INTERVENTION PROCEDURES

Perry Township Schools take a proactive stance in dealing with the safety of its school children and personnel. Each school in Perry Township has in place a Crisis Intervention Plan, approved both by the Administration and the School Board, for dealing with a crisis

situation should one occur. The major goals of a crisis intervention plan are to avoid panic and confusion in initial reactions to the crisis situation, to keep physical and/or psychological suffering to a minimum, to assist the school family in coping with a traumatic situation, and to restore the school to normal operation as soon as possible.

Principals instruct their staff members in the appropriate procedures to be followed in a variety of situations. Each school principal has the ability to reach parents in the event of a school emergency and the ability to deliver important school information in as timely a manner as possible by means of a program known as ParentSquare. For this system to be effective, parents need to make sure that Student Services has up-to-date contact information for them at all times.

EMERGENCY DRILLS

Throughout the school year we will conduct, at least six (6) Fire, four (4) Severe Weather and two (2) Lockdown Drills.

TEXTBOOKS

Textbooks are loaned to students for their use during the school year. Please write your full name on the textbook label, located on the inside of the front cover, in ink. Students are expected to pay for damages to or lost textbooks.

LOST AND FOUND

All lost/found items should be turned into the cafeteria. Students should be sure that their full name is on all personal belongings, materials, and books. Having student names on all items makes it easier to return items to students. Students are encouraged not to leave their books, school materials, or personal items unattended at any time. **Students may check the lost and found for missing items during their lunch. Lost items without identification and not claimed will be donated each break to a charity organization.**

LOCKERS

Each student will have the use of a hall locker. It is his/her responsibility to keep the locker in an orderly fashion. However, each team will conduct at least one locker clean-out per quarter. Students are not allowed to share lockers or to deface their locker in any manner. Food, drink or candy is not to be stored in the locker unless you pack your lunch. **Decals, pictures, mirrors, etc., are not to be attached to the outside of the lockers.** Students should not tell other students their locker combination. Lockers may be searched if it is deemed necessary.

**Further information can be found in the Student Rights and Responsibilities booklet.*

INSTRUCTIONAL MEDIA CENTER (IMC)

The IMC is open every school day during regular school hours. Students are encouraged to use the Media Center for research and to check out reading materials. A student coming to the IMC must have a teacher signed pass indicating the purpose(s) of the visit; the student is expected to come straight to the IMC without making any other stops. A student wishing to check out materials must have the student ID card to do so and must not have any overdue materials or fines. The student is responsible for all books and materials checked out on his or her ID card, and the student will be charged for lost or damaged materials. Books are loaned for a two-week period and may be renewed. A magazine may be checked out for a week. Reference materials may be checked out during the last period of the school day and are due the first period of the following morning. A student may have up to three items on loan at one time, no more than 2 books and/or a magazine. The IMC staff expects materials to be returned promptly by their due date.

EMERGENCY INFORMATION

All emergency information, such as medical problems, parent/guardian name changes, address changes, workplace and/or phone number changes should be updated throughout the year. The student or parent can report any changes to the Student Services Office by note or phone (317-789-1462). **Our ParentSquare system uses this emergency information to notify students and parents of**

emergencies and important information throughout the year.

HEALTH PROBLEMS

1. Parents/Guardians must inform the school nurse and appropriate counselor of any serious health problems that might affect a student's participation in either physical education or classroom activities. This information needs to be provided in writing, on letterhead from the appropriate doctor's office.
2. **A doctor's statement is required for a student to be excused from physical activities for more than one day.**
3. **Marion County Health Department** technicians will continue to test the hearing of all special education students, those new to Marion County, and special cases referred.
4. **Marion County Health Department** provides Vision testing to all special education students, those new to Marion County, and special cases referred.
5. Speech therapy is available through Southside Special Services.

TAKING MEDICATION AT SCHOOL

2021 – 2022 medication consent is required for medication of any type to be taken at school. Parents must bring the medication to school **in the original container**, and pick the medication up. **Students may not transport medications.** This applies to prescribed, daily medication and over-the-counter medication. Medications will be kept locked in the clinic. Students may only carry medications if a doctor's order granting permission to carry the medication is submitted to the school nurse, along with signed parental consent. Asthma inhalers may be carried by students if the Asthma Action Plan completed by the physician indicates that they are allowed.

All students taking medications are to come to the clinic during the four-minute passing time closest to the time that the medication is to be taken. A "medicine pass" will enable a student to come to the office.

**Further information can be found in the Student Rights and Responsibilities booklet.*

WHAT TO DO IF I BECOME ILL AT SCHOOL

1. The student should report any illness to the teacher.
2. The teacher will refer the student to the Clinic with a pass.
3. Only those listed on the emergency card can pick-up the student from school with ID.
4. **No one at school is allowed to give medication in any form, except the school nurse.**

DOCTOR/DENTIST APPOINTMENTS

Dental and medical appointments should be made at times to allow the student to miss the least amount of school time possible. We prefer a call from parents but will accept a student bringing a written note, an email, or call to student services on the day of the appointment stating the purpose of the appointment and the time being picked up by the parent(s). The student will be given a "release pass" to leave class, get his/her materials, etc., and come down to student services to sign out on a sign-in/sign-out sheet. The student should return to school if time permits and sign in at student services to get an admit slip to class. Doctor and dentist appointments should ordinarily cause a student to miss only a part of his or her school day.

MOVIE POLICY

Occasionally, we believe a good companion to a lesson is an appropriate movie. Movies can bring another dimension that offers insights and perspectives on a particular topic to enhance the learning. In many cases, movies add value to historical lessons by providing the images, sounds, and simulations that cannot be communicated using other methods.

Showing students movies such as *Apollo 13*, *October Sky*, and *The Martian* enables them to benefit from another medium as a resource in their study of current events and history.

This document is designed as a permission slip for your student to view movies that we feel are educationally appropriate. Please be assured that we will use proper discretion when showing these movies.

You only need to sign this document if you **DO NOT** want your student to watch PG or PG-13 movies that are for educational purposes.

_____ I **DO NOT** grant permission for my student to watch curricular-related movies with a PG or PG-13 rating.
