	Where do I find new learning in Canvas?	Where do I find assignments in Canvas?	What else should I know about Canvas?	What other apps/websites will I use?	How do I log into my e-textbook?
Mobley	All assigned work is listed in Modules. Shorter class-referenced readings are made available in Pages and Modules.	Assignments and Bellringers/Discussions can be found in Modules.	Students should pay attention to assignment titles to make sure they are completing what is assigned to their cohort group: A-L, M--Z, or ALL STUDENTS.	All other websites or apps used will be indicated and/or linked in student assignments listed in Modules.	Currently all assigned readings have been made available in Canvas Pages.
Montgomery	Announcements will list the daily schedule	Announcements/Modules	Always start in Announcements	Kahoot, gimkit, peardeck, quizizz, big ideas. All will be linked in the announcements page for that day.	Click on big ideas from the canvas home page.
Moore	Modules - organized by week and then by date (the most recent week is always at the top of the page	Modules	Never use assignment tab for my class - they are confusing and not in order.	flipgird, Kami, quizlet, peardeck, links and videos of instruction are alawys provided when a new webiste or app is used.	there isn't one.
Overmyer	Modules-organized by what week we are in	Modules	Any missed online google meets with imperative information will be recorded and posted in Announcements.	Smart Music	
Petty	Modules - Each day has a module labeled with the date	Modules - Each day has a module labeled with the date	Work through each part of the daily module. As you finish an activity click "next" in the bottom right corner. The last activity of the day is the Exit Survey.	HMH SAM to complete System 44 Software. HMH SAM is found in the Perry Township Resource Portal and is linked in each day's Module.	There is no eTextbook for this class.

	Where do I find new learning in Canvas?	Where do I find assignments in Canvas?	What else should I know about Canvas?	What other apps/websites will I use?	How do I log into my e-textbook?
Pieper	Everything is on the home page. Parents/students click on each subject to find the new learning and assignments. A Google meet is also linked to the home page for the virtual students to join us live.	All assignments are listed on the Home page where the students will just click on the subject and be directed to the video or work.	I've made it as simple as possible so that the students would know exactly what to click on (Hopefully they will only need minimal help from parents). The families were shown step by step how to log in and access all work at Back to School Night. They were given all usernames and passwords to get into Unique and Boom Cards as well.	Boom Cards Unique Learning Systems YouTube videos	N/A
Proctor	Modules are organized by unit. Each week has the assignments listed by day of the week.	Each day has the objective, standards and activities for that day	Work through each activity, watching all the videos I've embedded.	german.typeit.org will give you the extra German letters	The textbook link is in announcements under that chapter's materials
Reed	Everything you will need is in announcements. Just check the announcements link to see what assignments you have to do for the week.	Everything you will need is in announcements. Just check the announcements link to see what assignments you have to do for the week.	The syllabus provides you with everything that we will cover over the course of the year. The modules are broken down by units so you cannot complete one module without completing the module before it.	The only other website you might use is the learning island or khan academy website which I would set up an account for you if you would like.	We do not use an e-textbook for this class.
Sager	Assignments-There is a Weekly Hyperdoc. This hyperdoc has 5 pages labeled with each day of the week. (M,T,W,Th.,F) Students should complete the page based on what day it is.				

	Where do I find new learning in Canvas?	Where do I find assignments in Canvas?	What else should I know about Canvas?	What other apps/websites will I use?	How do I log into my e-textbook?
Sefton	Annoucements-Everything is linked in the announcement; a table shows each section of students based on their group/day	Annoucements-Everything is linked in the announcement; a table shows each section of students based on their group/day		Anything extra will be linked in the annoucements page	N/A
Shoaf	Modules-organized by weeks	Modules and find the date	The Big Ideas math website is on the home page.	Big Ideas	Click on home page in Canvas. Click Big Ideas and then click log in with Clever.
Simpson	Click on "Today's Work" on the homepage. It takes you to modules. Look for the date and open that section of the module. Videos are posted in the assignment for students who are remote that day.	Today's Work, takes them to each day. Any work for that day is posted.	Do the work for each day. Do not work ahead. Make sure you are checking for "Full Time Remote Only" or "In Class Only" instructions. All needed links can be found on the home page.	Pear Deck, Quill, McGraw Hill - StudySync online text book, Flipgrid	Canvas Home page has a brown square with an Mc in it. Click on it. In Google Dashboard find the same brown square, click again. This takes you to McGraw Hill. Make sure the school at the top is Southport Middle School. Click "Launch" by the textbook.
Swan	Modules - organized by week and day	module and big ideas	Big Ideas, our math textbook is on the home page.	Big Ideas, Desmos, Yotube	Click on Big Ideas from my Canvas homepage then log in through Clever.
Swengel	Modules organized by units.	Modules; assignments; course calendar	Daily objectives and agenda linked to Home Page for remote and present learners; 4 minute bell work on Home Page	Textbook; KAHOOT; Fast Finishers; Clever for Evaluate; Pear Deck all on Home Page	Click the tan Mc and launch the textbook; may also access from Resource Portal page over to the right by clicking on McGraw Hill
Thomas	Modules organized by weeks/quarters	Modules	Daiy Objectives on Bitmoji Homepage, Fast Finisher Button "I'm Done, Now What?	Kahoot, Flipgrid, Pear Deck, Epic, Quizlet, Quill	Click on the brown "Mc" button in the Bitmoji Homepage, click on it again on the page of links, log in as usual. Make sure the school at the top left says Southport Middle.

	Where do I find new learning in Canvas?	Where do I find assignments in Canvas?	What else should I know about Canvas?	What other apps/websites will I use?	How do I log into my e-textbook?
Tucker	Modules. Each day has a labeled Module with the day of the week and whether it is for HOME learners, IN SCHOOL learners, or VIRTUAL learners.	Modules	Make sure you click "post reply" on Discussions.	HMH Central is linked on my Canvas homepage OR can be accessed through the Perry Township Resource Portal- HMH SAM.
