COMMUNICATION - PROMOTING SUCCESS

Student success depends upon his/her own efforts and the school and home working together and supporting each other. Communication between home and the school is the key to student success. Although middle school students have so many different teachers each day compared to elementary school, communication need not lapse. Below are effective ways for parents to promote school communication and personal success in their children.

1. For individual classes, always contact that teacher first. Each teacher has an email address. See the staff list on the next page.
2. Have your child ask his or her teacher to initial the assignments written in the Planner.
3. Check for homework assignments on Canvas
4. Visit your child's class(es).
5. Get grade updates online in Skyward at www.perryschools.org by using the parent login. Stop by the school if you need your access ID and password or instructions.
6. Call your child's school counselor to schedule a conference with his/her teachers.

ALL SCHOOL COMMUNICATIONS

Each Friday, the *Cardinal Chronicle*, containing information of importance to you, will be published by the school. You may view the *Cardinal Chronicle* on our website at perryschools.org/sml/. Our district currently uses Parent Square to communicate with our families.

CLOSINGS, DELAYS & E-LEARNING

In the event of a delay or closing due to unforeseen circumstances (weather and emergencies), the superintendent will notify every family through our Parent Square communication system. FOR THIS SYSTEM TO BE EFFECTIVE, PARENTS NEED TO KEEP THEIR CONTACT INFORMATION UP TO DATE IN OUR STUDENT SERVICES OFFICE. The district will notify local radio and television stations as well.

E-Learning schedule can be found on our school website perryschools.org/sm under "FOR STUDENTS" section.

ABSENCES

Regular attendance is a prerequisite for good education. **PARENTS SHOULD CALL THE 24 HR. ATTENDANCE NUMBER (317-789-4605) TO REPORT AN ABSENCE.** The reason for the absence should be reported in this phone call. If phone contact has **NOT** been made with the parent, the student **MUST** bring a parent note to Guidance Office upon returning to school. Athletes must be present by 11:00 in order to participate in an evening athletic activity.

Truancy is the willful refusal of a student to attend school. Examples include, but are not limited to the following:

1. Leaving school for any reason without signing out or receiving permission from the office.
2. Student refuses to attend school.
3. Absence from school without prior permission from parent/guardian. This includes when a student misses the bus if the parent is unaware the student has missed the bus.
4. Absence from class without proper permission.

The policy for **credit / no credit on completed work due to absence** is listed below:

WORK MISSED WHILE ABSENT

When students are absent, they are expected to make up work. It is the **student's responsibility to request the assignments from each teacher. SMS allows one day to makeup work per one day of absence (i.e. 3 days absent = 3 days to complete the missing work).** This previous statement is for a maximum of 10 consecutive school days. Please contact your student's school guidance counselor for extended absences or other extenuating circumstances. Work not made up will be reflected in lower grades. **Students who have been ill or hospitalized** or will be absent **two or more days** because of illness may have needed materials sent home by contacting the Main Office receptionist (317-789-4600). Teachers post assignments on Canvas, which can be accessed through our township homepage at www.perryschools.org. Your child can show you how to access the items in Canvas.

All make-up work due to absence must be communicated about by the student with the teacher after the student returns to school in order to receive full credit. If make-up work is assigned by the teacher, the student will receive full credit for that day's work. In-School Suspension and Out-of-School Suspension make-up work will receive full credit if completed and turned in. Major tests or projects may be made up for full credit for all absences except truancy.

Further information can be found in the Student Success Handbook booklet on the township website.

PROGRESS REPORT DISTRIBUTION

Parents are kept informed of their child's progress through our online grading portal (Skyward), parent conferences, mid-term reports, report cards, or telephone calls. Paper report cards are issued the Thursday following the completion of the first three grading periods and are posted to Skyward as well each quarter. Parents should note the dates on their calendar when mid-term reports and report cards are to be issued so they will know when to expect them. (page 5)

GRADING SCALE

Grades are recorded in letters ranging from the highest A to the lowest F. The letter grades are used to indicate each student's progress. The "+" or "-" symbol is to be used only with the "B," "C," or "D" letter grade. The "-" symbol may also be used with the "A." This is in accordance with existing school district policy.

Grading scale is as follows: 93-100 = A 90-92 = A- 87-89 = B+ 83-86 = B 80-82 = B- 77-79 = C+
73-76 = C 70-72 = C- 67-69 = D+ 63-66 = D 60-62 = D- 50-59 = F

Major emphasis is also given to evaluate effort. Effort ratings ranging from the highest "1" to the lowest "5" are used to indicate each student's effort in relation to his/her potential according to the professional judgment of teachers.

HOMEWORK INFORMATION

- * Homework may be given Monday – Friday.
- * Long-term projects, unfinished homework, and make-up work may be done on weekends and short vacation periods.
- * No homework shall be given that requires students to work over longer vacation periods. These are defined as:
 1. Fall Break
 2. Thanksgiving Break
 3. Winter Break
 4. Spring Break

(This policy means that no assignments shall be due on the day students return from vacation periods listed above.)

- * Information on homework and class activities can be found in Canvas.

PERSONAL PROPERTY AT SCHOOL

If a student brings personal property to school, the student will be responsible for its safekeeping. Perry Township Schools does not authorize use of cell phones, e-readers, tablets, electronic games, MP3 players, iPods, or any other electronic devices not required for school use, during the school day. Violations may result in discipline as well as confiscation. **Personal electronic devices and accessories are to be shut off and put away during the school day. Cell phone use in the classroom is prohibited.** School officials reserve the right to search the contents of the cell phone if there is reasonable suspicion that the search will reveal information regarding a violation of school rules. All lost/found items should be turned in to the Student Services Office or to a staff member. The school is not responsible for lost or stolen items. *Further information can be found in the Student Success Handbook booklet on the township website.*

UNIFORM DRESS POLICY GUIDELINES

BULLYING POLICY

The Perry Township Schools prohibits bullying as described in student discipline code IC 20-33-8-12. Bullying can be physical (hitting, kicking, shoving, etc.) verbal (taunting, teasing, racial slurs or verbal harassment) or non-verbal threatening (obscene gestures).

At Southport Middle School the Bully Prevention Committee has defined bullying as "deliberate physical or psychological abuse of an individual by one student or a group of students over time to create an ongoing pattern of harassment and abuse."

Students should report any bullying to a school employee. Repeated acts of bullying will result in disciplinary action. Students at Southport Middle have also become proactive against bullying by making the "I Shine" pledge below. We hope each student can sincerely pledge the following:

- I** – I will not hurt others with my words or actions.
- S** – Stand up to putdowns.
- H** – Help those who are being bullied.
- I** – Inform adults when I need to.
- N** – Never use my computer or cell phone to hurt others.
- E** – Encourage my friends to stand up against bullying too.

Further information can be found in the Student Success Handbook booklet on the township website.

GANG ACTIVITY POLICY

For purposes of this policy, Perry Township Schools defines a gang as "any group of two or more persons who join together for destructive or violent purposes," and/or as defined by IC 35-42-2-1.

The presence of gang and gang activities can cause a substantial disruption of and interference with the educational function of the school system. Perry Township Schools will not allow disruptive students to interfere with its educational function and responsibilities, and endeavors to maintain an atmosphere in the schools that is conducive to learning. Therefore, Perry Township Schools will not tolerate gangs or gang-like activities. Students are in violation of this policy if involved in substantiated gang related incidents and will be dealt with to the fullest extent allowed by the Perry Township Schools and the statutes of the State of Indiana.

BUS CONDUCT AND SAFETY

All students who ride a school bus should feel that they belong, are respected, and share the rights and privileges, as well as the responsibilities, of the entire bus load. Obeying the rules will better ensure the rights, safety, and well-being of all student passengers. Infractions of bus rules will result in disciplinary action, which may result in the loss of bus riding privileges. *Further information can be found in the Student Success Handbook on the township website.*

BUSES – RIDING OTHER THAN ASSIGNED

Students are required to get off the bus at assigned stops and required to ride the same bus both morning and afternoon. When waiting for the bus, please remember, for safety, to stand 10 feet back from the roadway. **Only in an emergency situation will students be allowed to ride a different bus home or to school. An Alternate Bus Permission slip signed by the parent, is required describing the emergency, and this form must be submitted to one of the Deans by noon.** If permission is given, the Dean will sign the form and the form will be given to the bus driver. A BUS WAIVER REQUEST form must be submitted to the school for a student to change bus assignments or bus stops. Forms may be found on the transportation website, www.perryschools.org/departments/transportation/forms-resources.

BUS – IF YOU MISS IT

If you miss the bus, let your parents know immediately and make arrangements to get to school as soon as possible. Failure to reach school for this reason is an unexcused absence.

RIDING HOME WITH PARENT/RELATIVE

If a student is to be picked up after school by a parent/relative instead of riding the bus home, **the student needs to meet his/her parent in front of the school.** Students should not be picked up by friends or non-relatives without parent permission.

SELLING THINGS IN SCHOOL

Selling, bartering, and/or trading of things in school is strictly prohibited. No candy, gum, cookies, or other items sold to make money for individual causes will be allowed.

TELEPHONE USE

Students will be permitted to use the telephone for EMERGENCY purposes only. Students will not be called out of class to use the phone unless it is an emergency. We do not consider forgotten lunch money, books, P.E. uniforms, homework or other school supplies, or for the purpose of staying with a friend, an emergency. Students must have permission from the Student Services Office to use the telephone. Students are to have made prior arrangements for pick up for all after-school activities.

CAFETERIA

Students are encouraged to put money into their accounts for breakfast, lunch and ala Carte purchases weekly or monthly. Cash will be accepted at the cash register daily to put into student accounts. Students, who wish to put money in their account by check, should report to the cafeteria in the morning during homeroom. The student's name and lunch number must be placed on the check. This is especially helpful if the student and parent last names are different. Payment on accounts may also be made with a Visa or Master Card online at www.perryschools.org. Please allow 24 hours for online payments to be available in the student's account. **Account balances may also be checked online.** Negative balances are not permitted. Students with repeated insufficient funds in their accounts to pay for their meals will be referred to the principal for investigation. Peanut butter sandwich and milk are available upon request by the parent in emergency situations only. Please contact the school if you need assistance with your student's account or if you believe you qualify for financial assistance. Free and reduced applications are available online on the district website. **Please submit only one application per family.**

Students must purchase a meal before ala Carte items can be purchased. Milk may be purchased with a lunch from home. No off campus food (including soft drinks) from restaurants may be brought into the cafeteria during lunchtime. All students are encouraged to eat a nutritious breakfast every day.

Prices

Breakfast – free for all students

Lunch – free for all students for 2021-22, but normally \$2.70 (subject to slight increase)

A la carte items are priced individually. (See menu available in the cafeteria and online at www.perryschools.org)

Students qualifying for financial assistance will receive lunch for \$.40 or at no charge depending on their eligibility. Student's qualifying for Free or Reduced price meals also qualify for textbook assistance.

LATE TO SCHOOL

1. We expect our students to be on time to school every day.
2. Students arriving after 8:12 a.m. must report to Main Office to sign in and receive an admission slip to class.
3. Continued tardiness will result in a referral being made to the Social Worker.

TARDY POLICY

It is important that the students develop the habit of being on time to class. Our school has developed a system of procedures and passes to enable students to conduct any necessary business without being late. Teachers will begin class instruction without having to stop, admit late students, and then begin again. Repeated tardiness to class may result in lunch detention, after-school detention, in-school suspensions, or out-of-school suspension. All tardies are documented in Skyward.

WITHDRAWING FROM SCHOOL

Parents should inform the Guidance Office in advance when withdrawing their child from school. **On the last day the student attends Southport, he or she should plan to stay the entire day.** All textbooks, Media Center materials, Chromebooks, and any other property belonging to the school must be returned. Copies of the withdrawal form and the health record will be given to the student to take to his/her new school. Additional records will be copied and sent to the new school upon written request from the school.

HEALTH PROBLEMS

1. Parents/Guardians must inform the school nurse and appropriate counselor of any serious health problems that might affect a student's participation in either physical education or classroom activities. This information needs to be provided in writing, on letterhead from the appropriate doctor's office. Also, the parents/guardians should list this information on the student's emergency cards.
2. **A doctor's statement is required for a student to be excused from physical activities for more than one day.**
3. **Marion County Health Department** technicians will continue to test the hearing of all seventh-grade students and special cases referred.
4. **Marion County Health Department** provides vision testing to all eighth-grade students and other special cases referred.
5. Scoliosis screening is performed by our township nursing staff on all seventh-grade students.
6. Speech therapy is available through RISE Special Services.

SICKNESS - BECOMING ILL AT SCHOOL

1. The student should report any illness to the teacher.
2. The teacher will refer the student to the Nurse's Office.
3. Only those listed on the emergency card can pick up the student.
4. Students leaving early due to illness may not return for any after-school activities.
5. **Remember: the student must have a pass to report to the Nurse's Office for a health problem.**

MEDICATION TAKEN AT SCHOOL

A **written parent request** is required for medication of any type (over-the-counter, prescriptions, creams, eye drops, etc.) to be taken at school. **ALL MEDICATIONS must be in the ORIGINAL CONTAINER (including cough drops).** Only labeled directions will be followed. A doctor's order is required to alter any dosage. If it is absolutely necessary for any medication to be given at school, a duplicate bottle (*obtained from the pharmacy*) with the exact liquid amount or exact number of pills will be needed. All medications will be kept locked in the Nurse's Office. Students cannot keep medicine with them or in their lockers. A "**medicine pass**" will be issued to come to the nurse's office.

Inhalers must also be in the original box and be accompanied by written parent/guardian permission. Original box will have prescription label showing student's name, doctor's name, and dosage. If a student must carry an inhaler for use at school or for after-school activities due to severe asthma, we must have a **written parent note, as well as written physician's note or letter** stating the student has severe asthma and must carry the inhaler on his/her person. The student will self-administer the inhaler as prescribed.

Indiana Code IC 20-34-3-18 states that we may now release medications to the student to bring home from school with a **written note** from a parent or guardian. If you feel you have a safety concern or choose not to have your child transport medication to and from the Nurse's Office you may choose to continue to bring in or pick up the medication yourself. *Further information can be found in the Student Success Handbook booklet on the township website.*

DOCTOR/DENTIST APPOINTMENTS

Dental and medical appointments should be made at times to allow the student to miss the least amount of school time possible. We prefer a call from parents (317-789-4665), but will accept a student bringing a written note to the Guidance Office on the day of the appointment stating the purpose of the appointment and the time being picked up by the parent(s). The student will be given a "release pass" to leave class, get his/her materials, etc., and come down to the Main Office to sign out. The student should return to school if time permits and sign in at the Main Office to get an admit slip to class. Doctor and dentist appointments should ordinarily cause a student to miss only a part of his or her school day. Identification may be requested of the party picking up the student.

EMERGENCY INFORMATION

All emergency information, such as medical problems, parent/guardian name changes, address changes, workplace and/or phone number changes should be updated throughout the year. Parents can make any changes in Skyward or by contacting the Student Services Office by note or phone (317-789-4666). **Our automated phone system uses this emergency information to notify students and parents of emergencies and important information throughout the year.**

CRISIS INTERVENTION PROCEDURES

Perry Township Schools takes a proactive stance in dealing with the safety of its school children and personnel. Each school in Perry Township has in place a Crisis Intervention Plan, approved both by the Administration and the School Board, for dealing with a crisis situation should one occur. The major goals of a crisis intervention plan are to avoid panic and confusion in initial reactions to the crisis situation, to keep physical and/or psychological suffering to a minimum, to assist the school family in coping with a traumatic situation, and to restore the school to normal operation as soon as possible.

Principals instruct their staff members in the appropriate procedures to be followed in a variety of situations. Each school principal has the ability to reach parents in the event of a school emergency and the ability to deliver important school information in as timely a manner as possible by means of a program known as Parent Square. For this system to be effective, parents need to make sure that their contact information is up-to-date at all times in our database (Skyward).

ATHLETICS

Interscholastic sports are provided for all students. In order for a student to be eligible to participate, he or she must meet certain scholastic requirements. Each student must have an updated IHSA physical on file issued by a physician, or nurse practitioner, and to have completed all online registration.. Physical forms are available in the Athletic Office, Main Office, or online. SMS uses a digital ticketing process for most athletic events.

CONDUCT AT ATHLETIC EVENTS

Proper spectator conduct at athletic contests is expected. Consequences could include: removal from the event, suspension of attending future events, and possible prosecution for serious infractions.

1. Good sportsmanship means cheering our team and respecting the other school and game officials.
2. Students may **not** go to their lockers during or after the games.
3. Students will not be allowed to attend an athletic event if they leave school early because of illness or served an ALL DAY ISS suspension on that day.

EXTRA CURRICULAR ACTIVITIES

Students may be banned from attending extra-curricular events for the entire year or portions of the year by the administration because of school-related/behavioral issues.

Further information can be found in the Student Success Handbook booklet on the township website.

PICK-UP TIMES FOR SCHOOL EVENTS

Students are expected to have rides available at the conclusion of extracurricular events. Those students disregarding the pick-up times and who fail to have their rides available on time may be suspended from attending one or more events.

Pick-up time is **6:45 PM** for home football games (@SHS) and **7:15 PM** for home basketball games.
