

## MSDPT IDLE POLICY

1. Signs posted at School entrances stating “No Idle Zone” where busses and automobiles drop off students.
2. Staff at schools involved in student drop off “police” the areas. Automobiles that drop off and/or pickup students should shut off their engines if the student cannot enter or leave the vehicle immediately. For inclement weather, the guidelines for maximum engine idling allows: 1) 32 degrees and above = 3 minutes, 2) 0 degrees to 31 degrees = 10 minutes, 3) below 0 degrees = no limit.
3. Bus Idling requirements/limits are listed in the Policy and Procedure Manual for drivers. A copy is included.
