THANK YOU...

As many of you may know, one of our very special staff members passed away recently. He was truly loved by our students and staff. Today, we held a relaxed dress fundraiser and collected money to help Mr. Ratcliffe's family with his medical and funeral expenses. We want to thank you for your kindness and generosity. This means so very much!

A note about student medications:

If your child has medication(s) in the clinic, please plan to pick them up by the last day of school. Any medications that are not retrieved will be discarded by the nurse on Friday, May 26, 2017. Per School Board Policy 5330, medications for students in grades K through 8 "may be released only to the student's parent or to an individual who is eighteen (18) years of age or older and who has been designated, in writing, by the student's parent to receive the medication." We appreciate your cooperation!

If you have any questions, please contact Ms. Kremm in the clinic 317-789-1341.

Thank you.

Attention PMA Families:

This summer, PMA will again be hosting the SHARE Event where families can bring students for free haircuts, vision screening, school supplies, just to name a few. This is not possible without our volunteers! If you are interested in donating items for thank you gifts for our wonderful volunteers, please send those items to the front office marked for the SHARE Event. Helpful items include gum, mints, bottled water, granola bars, gift bags, and/or anything along those lines. Thank you so much for your support in helping us support our community!
