# Textbook Rental

## **K-5 Students**

A statement listing all textbook rental fees and supply fees is scheduled for mailing to each student's home in September. The textbook rental and supply fee for the 2018-19 school year is \$100 for kindergarten and \$125 for first grade through fifth grade. If payment is made by check, the check must be payable to the student's school (with your child's name in the lower left corner of the check.) You may also pay fees online using a credit card. If you need further information, please call your child's school.

## **6-12 Students**

Perry Township's high school and middle school fees are assessed on a per course basis. An invoice statement, listing all school course fees, is scheduled for mailing to each student's home in September. This statement will itemize textbook rental charges along with workbooks, consumable workbooks, supplemental charges, and supply fees ending with a grand total payable to the school your student attends.

## **Payment Process**

Perry Township Schools will once again be accepting payments for textbook rental for the 2018-19 school year, using the e~Funds Payment System. Online payments may be made by credit card. Visa, Mastercard, and Discover cards are accepted.

The online payment system is accessible via the Internet. If payees do not have access to the Internet from home, work, or elsewhere, computers will be available for use during the designated orientation or registration times before the start of school. The online payment system will be available 24/7.

Once connected to the school district website, select the Parents/Students link to log on to Skyward Family Access.

**Note:** Textbook rental payments cannot be made until statements are mailed in September.

## **Questions?**

Questions and concerns about the online payment system should be directed to Cheryl Martlage at 317.789.3749 or by email at [cmartlage@perryschools.org](mailto:cmartlage@perryschools.org).
