Perry Townships Early Education Academy participates in the Child and Adult Care Food Program (CACFP), a Federal program that provides healthy meals and snacks to children receiving day care.

Students attending Perry Meridian High School, Southport High School or Perry Meridian Middle school may receive a free Supper Meal at the school they attend. These schools participate in the At-Risk After School Meal Program.

Each day more than 2.6 million children participate in CACFP at childcare homes and centers across the country. Providers are reimbursed for serving nutritious meals that meet USDA requirements. The program plays a vital role in improving the quality of day care and making it more affordable for low-income families.
