

Perry Township Schools

2021-22 COVID-19 PROTOCOLS

FIRST STUDENT DAY: MONDAY, JULY 26

In-person classes will return to their regular Monday - Friday schedule. Wednesday will remain an early release day.

2021-22 BEST PRACTICES

The following protocols are the practices we will continue to use for the 2021-22 school year.

These guidelines are subject to change based on recommendations from the Marion County Public Health Department.

MASKS/FACE COVERINGS

Grades K-12: Masks are optional inside of schools. However, all **bus riders are required to wear masks** on buses, according to a federal mandate.

Note: It is recommended that all students, including car riders, bring a mask to school every day in case their parent/guardian instructs them to ride the bus due to unexpected circumstances.

HANDWASHING

Regular handwashing will be encouraged for students and staff. Hand sanitizer will be available in classrooms and common areas when handwashing isn't an option.

SYMPTOM SCREENING

Families are expected to screen their children and keep them home if ill. Students and staff should stay at home if they have a fever of 100.4° F, or exhibit symptoms of COVID-19.

COVID-19 TESTING

Testing is reliable and sites are conveniently located in the community.

NURSES CLINIC LOCATIONS

There will be a designated area for students displaying symptoms and waiting to be picked up. A separate area will be designated for medication distribution.

WATER BOTTLES

Bottle filling stations will remain in place. Fountains will be available for refilling water bottles.

VACCINATION

Being vaccinated is one way to protect oneself and others from COVID-19.

CLEANING AND DISINFECTING

- Desks and hard surfaces will continue to be disinfected every evening.
- Teachers and staff will continue to use sanitizer and cleaning products as needed throughout the school day.
- School air filtration systems meet all requirements for the amount of fresh air circulating.
- Hand sanitizer stations will remain available in common areas and classrooms for students and staff to use throughout the day.
