The Governor's Emergency Education Relief (GEER) Fund, created by the Coronavirus Aid, Relief, and Economic Security Act (CARES Act) is focused on developing and improving the availability of distance/remote learning techniques and technologies. This competitive grant program was created to support the unique challenges associated with distance/remote learning including device access, internet connectivity and education training and development.

Perry Township Schools serves as the lead applicant in a partnership of 117 public schools, public charter schools and non-public schools.

Perry Township Schools supported our educators and students with these funds through providing:

- devices, device management software and appropriate protective cases to facilitate effective distance/remote learning.
