

Perry Township Schools

6548 Orinoco Avenue • Indianapolis, IN • 46227-4820

ESSER III Plan American Rescue Plan (ARP)

Released by IN Dept of Education: May 24, 2021

Encumber date: September 30, 2024

Perry Township Total Allocation: \$26,547,039.10

Planned Use:

Student Learning loss funds will be used to support:

- A licensed interventionist at every K-8 school supporting teachers and students in areas of learning loss
- Additional teams/sections added at the secondary school levels to support class size reduction
- Additional psychologic and behavioral support staff to assist students with social and emotional needs
- Additional speech/language pathology staff to assist in identifying and supporting the needs of our youngest learners
- 300+ teachers and staff providing robust K-12 summer school and intersession programs
- Tutor/translators and other English learner staff to support our EL student participation
- Nursing staff at all buildings during summer school and intersession programs
- Bus drivers and monitors providing transportation to remove this barrier of participation
- Indiana Online Academy credit recovery support for our high school students
- Compensation to teachers and staff during required periods of quarantine and/or COVID-19 illness
- Compensation to teachers working outside of the contract day to prepare lessons and provide student support
- Substitute staffing to allow for continuous learning when teacher and staff quarantine/absence is necessary
- Additional curriculum software utilized by students across grade levels to support meeting Indiana Academic Standards

Administrative funds will be used to support:

- District-wide HVAC upgrades and updates to improve air quality systems in our buildings
- Software to assist administration in identifying academic areas of greatest student need and monitor progress toward academic goals
- District auditing costs
