Family Doctor Phone Hospital Preference

Our School Nurse program is staffed by nurses from Community Health Network and will provide limited services to all students, including but not limited to - **screening for signs of illness, first aid/emergency care, referral to health providers in the community, nutrition services, health education, health screenings and immunization information.** This is a School clinic and all records are maintained by the School. **There is no charge to you for the services received.**

If your child needs prescription or over the counter medicine, management of chronic health conditions or any health needs requiring a physician order while in school, your **written permission is required, in advance.** In an emergency situation, to prevent death or serious injury, the School Nurse and School staff will act to prevent such injury or death and stabilize the situation.

TECHNOLOGY USE GUIDELINES

Internet access through the school district is a valuable learning resource for students. Students will be permitted to have access to the Internet and the school district's computer network unless their parent/guardian files a written objection at the beginning of each school year. Students will be provided technology equipment which requires reasonable care and can create financial liability for breakage. A form for refusing student access may be found on the school district website: perryschools.org

(To review the district's Acceptable Use Policy: Please go to the district website under Parents; click Technology Resources, scroll down to Policies)
