

Indoor Air Quality

Any concerns regarding indoor air quality at any Perry Township Schools should be directed to our Air Quality Control Coordinator, Mr. Kirby Schott at 317-789-6211, kschott@perryschools.org 6548 Orinoco Avenue, Indianapolis, IN 46227.

HVAC Maintenance

- Perry Township Schools will change filters in April and October of each school year.
- At locations of construction, the filters will be inspected on a monthly basis and replaced if needed.
- Coils will be cleaned in July.
- Boilers will be inspected annually.
- Chillers will be inspected annually.
- Cooling towers will be inspected annually.
- Written documentation of inspections and filter changes will be kept in the Assistant Director of Maintenance's office for a three-year period.
